A Senator shall not accept anything that will improperly influence his or her official act, decision, or vote.

### **1.361—Solicitation or acceptance of contributions; registration and disclosure requirements**

(1) During any regular legislative session, extended session, or special session, a Senator may not directly or indirectly solicit, cause to be solicited, or accept any contribution on behalf of either the Senator's own campaign, any organization described under section 527 or section 501(c)(4) of the Internal Revenue Code, any political committee, any committee of continuous existence, any political party, or the campaign of any candidate for the Senate; however, a Senator may contribute to the Senator's own campaign.

(2) Any fundraising activity otherwise prohibited during an extended or special session by section (1) shall not be considered a violation of this rule and may take place provided that it can be shown that the event was already scheduled prior to the issuance of the proclamation, resolution, or other communiqué, extending the session or convening a special session.

(3) Any Senator who directly or indirectly solicits, causes to be solicited, or accepts any contribution on behalf of any organization described under section 527 or section 501(c)(4) of the Internal Revenue Code, any political committee, or any committee of continuous existence must immediately disclose such activity to, and register with, the Committee on Rules and Calendar. However, no registration is required as a result of a Senator's solicitation or acceptance of contributions on behalf of his or her own campaign, a campaign for any office other than Senator, or a political party. Upon registration with the committee, the Senator shall immediately create a public website that contains a mission statement for such organization and the names of the Senators associated with that organization. All contributions received by the organization must be individually disclosed on the website within ten (10) business days of deposit. All expenditures made by the organization must be individually disclosed on the website within ten (10) business days of being made.

### **1.39—Disclosure and disqualification**

A Senator shall disclose any personal, private, or professional interest in a bill that would inure to that Senator's special private gain or the special gain of any principal to whom the Senator is obligated. Such disclosure may explain the logic of voting or of his or her disqualification.

### **1.40—Senate employees and conflicts**

Senate employees shall be accountable to the intent of this Rule.

### **1.41—Advisory opinions**

All questions relating to the interpretation and enforcement of these Rules concerning legislative conduct and ethics shall be referred to the Committee on Rules and Calendar or shall emanate therefrom. No opinion shall identify the requesting Senator without the Senator's consent.

### **1.42—Violations; hearings, penalties**

(1) Any person may file a sworn complaint with the Chair of the Committee on Rules and Calendar, alleging a violation by a Senator of the Rules regulating conduct and ethics. The complaint shall state detailed facts, shall specify the actions of the named Senator which form the basis for the complaint, and shall identify the specific Rule(s) believed by the complainant to have been violated by the Senator. Upon a determination by the chair that there are sufficient grounds for review, the complaint shall be referred either to the committee or, at the option of the chair, to a special master, for a hearing. The committee or special master may adopt rules of procedure for conduct of the proceedings. The committee or special master shall give reasonable notice to the Senator who is alleged to have violated the Rules and shall grant the Senator an opportunity to be heard.

A special master's report and recommendation is advisory only and shall be made to the chair as soon as practicable after the close of the hearing. The committee's report and recommendation shall be made as soon as practicable.

(2) Separately from any prosecutions or penalties otherwise provided by law, a Senator determined to have violated the requirements of the Rule regulating ethics and conduct may be censured, reprimanded, or expelled. (3) In the event the times required for notice under Rule 1.44(1) are not sufficient to permit publication in a daily or interim calendar, the Secretary shall post a copy of each such notice in the public corridor leading to the Senate Chamber. The Secretary of the Senate shall make a diligent effort to give actual notice to the representatives of the press of all noncalendared meeting notices posted.

(4) Political caucuses shall be open to the public in accordance with Rule 1.43 and noticed in accordance with this Rule when issues then pending before, or upon which foreseeable action is reasonably expected to be taken by, the Senate, a Senate committee, or a Senate subcommittee are discussed. Records not transferred may be otherwise disposed of or destroyed.

(3) Except for records specifically required by law or Senate Rule to be filed or retained, district office records and constituents' records may be retained by the district office until those records become obsolete, at which point they may be otherwise disposed of or destroyed.

(4) Public records, not exempted from public disclosure, created or received by the President, President Pro Tempore, or Secretary of the Senate shall be retained by that officer as specifically required by law or Senate Rule until transferred to the Division of Library and Information Services of the Department of State via its Legislative Library Division. Such fees shall be based upon the actual cost of duplication of the record and shall include the material and supplies used to duplicate the record but not the labor cost or overhead cost associated with such duplication. If the nature or volume of records requested to be inspected or copied is such as to require extensive use of information technology resources or extensive clerical or supervisory assistance by employees of the Senate, a special service charge in addition to the actual cost of duplication may be imposed. Such special service charge shall be reasonable and based on the cost incurred for the extensive use of information technology resources or the labor cost of employees providing the service that is actually incurred by the Senate or attributable to the Senate for the clerical and supervisory assistance required. However, when obtained from the Office of the Secretary, a standing committee, standing subcommittee, or select committee, there shall be no charge for a single copy of a bill other

than a general appropriations bill, or for a single copy of any other public record required by law or Senate Rule to be created.

(6) Once the retention period for a public record, not exempted from public disclosure, has expired, the public record may be otherwise disposed of or destroyed. A public record need not be retained if it is published or retained by another legislative office. Only one (1) copy of a public record need be retained, additional copies of that record may be destroyed at any time. In the case of mass mailings, only one (1) representative copy of the mailing, or an abstract, need be retained.

(7) For the purpose of this Rule, a member's district office shall include the offices each member retains for the transaction of official legislative business in his or her respective district and the offices located in the Senate Office Building or the Capitol in Tallahassee assigned to each member.

(8) The following public records are exempt from inspection and copying:

- (a) Records, or information contained therein, held by the legislative branch of government which, if held by an agency as defined in section 119.011, *Florida Statutes*, or any other unit of government, would be confidential or exempt from the provisions of section 119.07(1), *Florida Statutes*, or otherwise exempt from public disclosure, and records or information of the same type held by the Legislature.

- (d) A draft of a bill analysis or fiscal note until the bill analysis or fiscal note is provided to a person other than an employee of the Legislature, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.
- (e) A draft, and a request for a draft, of a reapportionment plan or redistricting plan and an amendment thereto. Any supporting documents associated with such plan or amendment

- (g) Portions of records of former legislative investigating committees whose records are sealed or confidential as of June 30, 1993, which may reveal the identity of any witness, any person who was a subject of the inquiry, or any person referred to in testimony, documents, or evidence retained in the committees' records; however, this exemption does not apply to a member of the committee, its staff, or any public official who was not a subject of the inquiry.
- (h) Requests by members for an advisory opinion concerning the application of the rules of either house pertaining to ethics, unless the member requesting the opinion authorizes in writing the release of such information. All advisory opinions shall be open to inspection except that the identity of the member shall not be disclosed in the opinion unless the member requesting the opinion authorizes in writing the release of such information.
- (i) Portions of correspondence held by the legislative branch which, if disclosed, would reveal: information otherwise exempt from disclosure by law; an individual's medical treatment, history, or condition; the identity or location of an individual if there is a substantial likelihood that releasing such information would jeopardize the health or safety of that individual; or information regarding physical abuse, child abuse, spouse abuse, or abuse of the elderly.

(9) Any Senate record created prior to July 1, 1993, which was so designated by the President on June 30, 1993, shall remain exempt from inspection and copying after July 1, 1993. Records held by joint committees, commissions or offices of the Legislature, that were jointly determined by the presiding officers of both houses to remain exempt from inspection and copying after July 1, 1993, remain exempt.

(10) For purposes of this Rule, "public record" means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by the legislative branch.

(11) All records, research, information, remarks, and staff work products, made or received during or in preparation for a closed meeting of a select committee, committee, or subcommittee, shall be confidential and exempt from inspection and copying for a period of 30 days after the closed meeting, at which time they will automatically become legislative public records open to inspection and copying, unless the confidentiality and the prohibition against inspection and copying has, within the 30-day period,

been extended by the President of the Senate. Unless the above-listed confidential and exempt items have been earlier released by operation of this Rule, they shall automatically become available for public inspection and copying five years after the date of the closed meeting, unless this confidentiality and exemption is further extended by the President of the Senate for subsequent five-year periods.

- (a) Favorably,
- (b) Favorably with committee amendment(s),
- (c) Favorably with committee substitute as defined in these Rules, or
- (d) Unfavorably.

The vote of the members of a standing committee or subcommittee on final passage of any measure shall be recorded. Upon the request of any two (2) members of a committee or subcommittee the vote on any other matter, properly before the committee, shall be recorded. After such report has been received by the Secretary, no matter so reported shall be recommitted to a committee except by a two-thirds (2/3) vote of those Senators present in session.

  - (a) The time and place of the meeting at which the action was taken, and
  - (b) The vote of each member of the committee on the motion to report each bill or resolution.

A bill filed for introduction by a committee shall be accompanied by such report. Reports of committees shall be preserved pursuant to law.

(3) In reporting a Senate measure, a standing committee may draft a new measure embracing the same general subject matter, to be returned to the Senate with the recommendation that the substitute be considered in lieu of the original measure (or measures). The substitute measure must be accompanied by the original measure (or measures) referred to the committee and returned to the Secretary in the same manner as a favorable report. No other standing committee of reference shall consider the original measure (or measures) but shall direct its attention to the substitute measure. A committee receiving a committee substitute from a prior committee of reference may also report a committee substitute and shall not be precluded from doing so with the substance of the bill (or bills) as originally introduced. When the original measure is reached on the calendar, the substitute shall be read a first (1st) time by title, the original proposition shall be automatically tabled, and the substitute considered in lieu of without motion. The substitute shall carry the identifying number (or numbers) of the original and shall be returned to the Secretary in the same number of copies required for first (1st) introduction of a similar measure. The name of the introducer of the original measure (or measures) shall be shown by the committee administrative assistant on the committee substitute unless the said introducer requests that it be omitted. A committee substitute may be cosponsored by a Senator whose signature is affixed to the original. A Senate committee may not recommend a Senate committee substitute for a House bill.

(4) All standing committee reports shall be signed by the chair or, in his or her absence, the vice-chair and shall be filed with the Secretary's office as soon as practicable, but not later than 4:30 p.m. on the next legislative day except a committee drafting and recommending a committee substitute shall file such committee report no later than 4:30 p.m. of the second (2nd) legislative day. These reports must be accompanied by the

original bill. Each report by a committee must set forth the identifying number of the measure; if amendments are proposed by the committee, the words “with amendments” shall follow the identifying number. Committee amendments shall be printed in full on proper forms, numbered serially, and attached to the measure. All measures reported unfavorably shall be laid on the table.

## **2.16—Standing subcommittee reports**

(1) It shall be the duty of standing subcommittees to report all measures referred to them directly to the full standing committee, which shall promptly certify a copy to the Secretary of the Senate. The standing subcommittee shall report all measures either:

- (a) The time and place of the meeting at which the action was taken, and
- (b) The vote of each member of the subcommittee on the motion to report each bill or resolution.

(3) In reporting a bill to the full standing committee, a standing subcommittee may draft a new measure, embracing the same general subject matter, to be returned to the full standing committee with the recommendation that the substitute be considered in lieu of the original measure. The substitute measure must be accompanied by the original measure referred to the standing subcommittee and returned to the full standing committee in the same manner as a favorable report.

(4) All standing subcommittee reports shall be signed by the chair or, in the chair's absence, the vice-chair and shall be made on forms prescribed by the Secretary of the Senate. Each report by a standing subcommittee must set forth the identifying number of the measure; if amendments are proposed by the standing subcommittee, the words “with amendments” shall follow the identifying number. Standing subcommittee amendments shall be printed in full on proper forms, numbered serially, and attached to the measure.

(5) All bills reported unfavorably shall be laid on the table when the standing committee considers the standing subcommittee's report. On motion by any member of the committee, adopted by a two-thirds (2/3) vote of those standing committee members present, the same may be taken from the table. When a bill is thus removed from the table by a standing committee, it shall receive a hearing de novo and witnesses shall be permitted to testify.

(6) When a bill with a favorable report by a standing subcommittee is considered by the standing committee, no additional testimony shall be permitted except by a two-thirds (2/3) vote of those standing committee

members present before final action is taken; however, debate by members of the standing committee shall be allowed.

## **2.17—Quorum of committee**

A standing committee, standing subcommittee, or select committee is actually assembled only when a quorum constituting a majority of the members of that committee is present in person. No committee business of any type shall be conducted in the absence of a quorum. Any bill or resolution reported in violation of this Rule shall be recommitted by the President when it is called to the President's attention by a Senator.

## **2.18—Repealed**

## **2.19—Conference committee in deliberation**

(1) All meetings of Senate conferees with House conferees at which the business of the conference committee is discussed shall be open to the public subject to proper order and decorum. A meeting of the Senate and House conferees is a meeting of the two groups, therefore, the rules governing each respective house apply. Meetings between a majority of the members of a conference committee may be held following a notice being filed with the Secretary of the Senate by or at the direction of the person calling the meeting, at least two (2) hours in advance of the meeting, and after the fiftieth (50th) day of a regular session and during a special session, not less than one (1) hour in advance of the meeting. The notice shall indicate the names of the conferees and scheduled participants, the date, the time, and the location of the meeting.

(2) Conference committees shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

(3) A conference committee may only report by recommending the adoption of a series of amendments to the House or Senate bill that was the subject of the conference, or it may offer an amendment deleting everything after the enacting clause of any such bill referred to the committee. Such amendments shall accompany the conference committee report, which shall be attached to the original measure submitted to conference. In any event the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either House. Conference reports must be approved and signed by a majority of the managers on the part of each House. All final actions taken in conference committee shall be by motion.

(4) Each report shall contain a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(5) When any bill or joint resolution is referred by the President to a conference committee, a notice of the following meetings to discuss matters relating to the conference, stating the names of the conferees and scheduled participants, and the date, time, and place for the meeting, shall be

filed with the Secretary of the Senate by or at the direction of the person(s) at whose call the meeting is convened, not less than two (2) hours preceding the time for the meeting, and after the fiftieth (50th) day of a regular session and during a special session, not less than one (1) hour preceding the time for the meeting:

- (a) Meetings between the President (or a Senator designated to represent the President), the Governor, and the Speaker of the House (or a Representative designated to represent the Speaker);
- (b) Meetings between a majority of the members of any subcommittee of the conference committee;
- (c) Meetings between the President or any Senator(s) designated to represent the President and a conferee from the House of Representatives, or any meeting between a conferee from the Senate with the Speaker of the House of Representatives or any Representative(s) designated to represent the Speaker; and
- (d) Meetings of a majority of the Senate conferees; and when the bill or joint resolution that is the subject of the conference committee deals primarily with the general appropriations act or revenue matters, any meeting of three (3) or more conferees on the part of the Senate.

(6) Notice of meetings, as scheduled, between the chair of the Senate's conferees with the chair of the House's conferees, or between respective Senate and House committee chairs with each other, shall be posted in the public corridor leading to the Senate Chamber. In the case of the appropriations conference, said notice shall also be posted outside the door of the office of the Committee on Ways and Means.

(7) All meetings for which notice is required pursuant to this Rule shall be held in the Capitol, the Senate Office Building, the Knott Building, or the House Office Building, but shall not be held in the Chamber of either house while it is in session.

(8) When any bill or joint resolution is referred to a conference committee and the conferees on the part of the Senate report an inability to agree, no action of the Senate taken prior to such reference to a conference committee shall preclude further action on the measure as the Senate may determine.

(9) After Senate conferees have been appointed for seven (7) calendar days and have failed to make a report, it is a motion of the highest privilege to move to discharge said conferees and to appoint new conferees, or to instruct said conferees, and this motion shall have precedence over all other questions except motions to adjourn and questions of privilege. Further, during the last six (6) calendar days allowed under the *State Constitution* for any regular session, it shall be a privileged motion to move to discharge, appoint, or instruct Senate conferees after the Senate conferees have been appointed thirty-six (36) hours without having made a report.

### **2.20—Appointment of Chair and Vice-Chair**

A chair and a vice-chair of each standing committee shall be appointed by the President preceding the regular session held each odd-numbered year and shall continue in office at the pleasure of the President. The President shall also appoint a chair for each standing subcommittee and select committee authorized by these Rules and may designate a vice-chair, both of whom shall continue in office at the pleasure of the President.

### **2.21—Calling committee to order**

The chair or, in the chair's absence, the vice-chair, shall call the committee to order at the hour provided by these Rules. On the appearance of a quorum the committee shall proceed with the order of business. Any member of the committee may question the existence of a quorum. No committee business of any type shall be conducted in the absence of a quorum.

### **2.22—Chair's control**

The chair or vice-chair shall preserve order and decorum and shall have general control of the committee room. If there is a disturbance or disorderly conduct in the committee room, the chair or vice-chair may require participants in the disturbance to clear the room.

### **2.23—Chair's authority; appeals**

The chair shall sign all notices, vouchers, subpoenas or reports required or permitted by these Rules. The chair shall decide all questions of order, subject to an appeal by any Senator, and the appeal shall be certified by the chair to the Senate for a decision by the President during the daily session of the Senate next following such certification. The ruling shall be entered in the Journal, shall constitute binding precedent on all committees of the Senate, and shall be subject to appeal as any other question. The chair may, or on the vote of a majority of the committee members present shall, certify a question of parliamentary procedure to the President as contemplated by the Rule without a formal appeal. Such a certified question shall be disposed of by the President as if it had been on appeal. The perfection of an appeal or the certification of a question pursuant to this Rule shall not constitute an automatic stay to further legislative action on the measure under consideration.

### **2.24—Chair, Vice-Chair; vote**

The chair and vice-chair shall vote on all matters before such committee. The name of the chair shall be called last.

### **2.25—Temporary alternate to Chair**

The chair may name any member of the committee to perform the duties of the chair if such substitution shall not extend beyond such meet-

ing. In the chair's absence and/or omission to make such appointment, the vice-chair shall act during his or her absence.

## **2.26—Vice-Chair's duties**

On the death, incapacitation, or resignation of the chair, the vice-chair shall perform the duties of the office until the President shall appoint a successor. In the absence of the chair, the vice-chair shall act as chair.

## **PART THREE—COMMITTEES—MEMBERS**

### **2.27—Members' attendance, voting, proxy**

(1) Every member of a committee shall be in attendance during each of its meetings, unless excused or necessarily prevented, and shall vote on each question except that no member of a committee shall be required or permitted to vote on any question immediately concerning that member's private rights as distinct from the public interest.

(2) The chair may excuse any Senator for just cause from attendance at meetings of his or her committee for any stated period, and this excused absence shall be noted on the committee's records.

(3) Failure to attend two (2) consecutive regular meetings, unless excused from attendance in the Senate on those days as provided in these Rules or by the chair of the committee, shall constitute automatic withdrawal from the committee.

(4) No member of any committee shall be allowed to vote by proxy. A majority of all the committee members present shall agree by their votes on the disposition of any bill or other matter considered by the committee.

## **PART FOUR—COMMITTEES—VOTING**

### **2.28—Taking the vote**

(1) The chair shall declare all votes and shall cause same to be entered on the records of the committee, but if any member questions a vote, then by a show of hands by two (2) members the chair shall count the yeas and nays. When the committee shall be equally divided, the question shall be lost.

- (2) A Senator may request to:
  - (a) Change his or her vote, or
  - (b) Vote

before the results of a roll call are announced. After the results have been announced, a Senator with unanimous consent of those committee members present may change his or her vote or vote. If the vote alters the final action of the committee, no change of vote or vote shall be valid until the measure has been recalled to the committee for further consideration. On request of a member prior to consideration of other business, the chair shall order a verification of a vote.

## **2.29—Pairing prohibited**

No pairing shall be permitted by the committee.

## **2.30—Casting vote for another**

No Senator shall cast a vote for another Senator, nor shall any person not a Senator cast a vote for a Senator. In addition to such penalties as may be prescribed by law, any Senator who shall vote or attempt to vote for another Senator may be punished as the Senate may deem proper. Also, any person not a Senator who shall vote in the place of a Senator shall be excluded from the committee for the remainder of the session.

## **2.31—Explanation of vote**

No Senator shall be permitted to defer or explain his or her vote during a roll call, but may submit his or her explanation in writing and file it with the chair. This explanation shall be kept as part of the committee record and a copy filed with the Secretary of the Senate.

# **PART FIVE—COMMITTEES—MOTIONS AND PRECEDENCE**

## **2.32—Motions; how made, withdrawn**

Every motion may be made orally. On request of the chair, a Senator shall submit his or her motion in writing. After a motion has been stated or read by the chair, it shall be deemed to be in possession of the committee without a second, and shall be disposed of by vote of the committee members present. The mover may withdraw a motion, except a motion to reconsider, at any time before the same has been amended, or before a vote shall have commenced.

## **2.33—Motions; precedence**

(1) When a question is under debate, the chair shall receive no motion except:

- (a) To rise
- (b) To take a recess
- (c) To reconsider
- (d) To limit debate
- (e) To temporarily postpone
- (f) To postpone to a day certain
- (g) To commit to a select subcommittee
- (h) To amend

which shall have precedence in the descending order given.

(2) The chair shall propound all questions in the order in which they are moved unless the subsequent motion be previous in nature.

(3) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one (1) substitute shall be considered and the substitute shall be in the same order of precedence.

### **2.34—Division of question**

A Senator may call for a division of a question when the sense will admit of it. A motion to strike out and insert shall be deemed indivisible; a motion to strike out, being lost, shall neither preclude amendment nor a motion to strike out and insert.

### **2.35—Reconsideration generally**

When a question has been decided by a committee, any Senator voting with the prevailing side may move for reconsideration of the question. Also when a question has been decided by voice vote, any member, during the meeting at which the vote was taken, may so move. Such motion may be made pending a motion to rise or if the time of adjournment has arrived. Consideration of a motion to reconsider shall be a special and continuing order of business for the succeeding committee meeting, and, unless considered during such meeting, shall be considered abandoned. If the committee shall refuse to consider or, upon consideration, shall confirm its first decision, no further motion to reconsider shall be in order except upon unanimous consent of those committee members present. During the last fourteen (14) days of a regular session, a motion to reconsider shall be made and considered during the meeting at which the original vote was taken.

### **2.36—Reconsideration; vote required**

The affirmative votes of a majority of the committee members present shall be required to adopt a motion to reconsider.

### **2.37—Reconsideration; debate allowed**

Debate shall be allowed on a motion to reconsider only when the question is debatable. When debate on a motion to reconsider is in order, no Senator shall speak thereon more than once nor longer than five (5) minutes.

### **2.38—Reconsideration; collateral matters**

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the committee has passed to other business.

## **PART SIX—COMMITTEES—AMENDMENTS**

### **2.39—Amendments, proposed committee substitutes, and proposed committee bills; form, notice, manner of consideration**

(1) No amendment or proposed committee substitute to any measure, or no proposed committee bill on any committee agenda, which was prepared prior to the committee meeting at which it is offered, shall be considered by that committee unless the amendment, proposed committee substitute, or proposed committee bill was filed with the committee administrative assistant at least twenty-four (24) hours prior to the noticed

meeting time. For the purpose of this rule, office hours are Monday through Friday, 8:00 a.m. - 5:00 p.m. Copies of such amendment(s), proposed committee substitute(s), or proposed committee bills shall be made reasonably available by the committee administrative assistant before the meeting to the members of the committee and to the public.

- (a) Subsequent to distribution of all timely filed amendments, amendments to amendments or substitute amendments may be filed to any measure to which an amendment was timely filed. Such amendments may be filed with the committee administrative assistant until two (2) hours prior to the noticed meeting time.
- (b) Subsequent to distribution of all timely filed proposed committee substitutes and proposed committee bills, amendments, amendments to amendments, or substitute amendments to any proposed committee substitute or proposed committee bill may be filed with the committee administrative assistant until two (2) hours prior to the noticed meeting time.
- (c) After the first fifty (50) days of any regular session, an amendment or proposed committee substitute to any measure prepared prior to a committee meeting at which it is offered shall be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.
- (d) The consideration of any amendment or proposed committee substitute not timely filed in accordance with this rule, including any filed during a committee meeting in which it is to be offered, requires a two-thirds (2/3) vote of those committee members present. These time requirements do not apply to a committee's recommendation during a meeting to make a committee substitute which is merely a combination of the noticed bill(s) and amendment(s).

(2) Amendments shall be filed on forms prescribed by the Secretary but shall be considered only after sponsors, who are members of the committee, gain recognition from the chair to move their adoption. An amendment shall be deemed pending only after its sponsor has been recognized by the chair and has moved its adoption. Amendments that have been filed but have not been formally moved for adoption shall not be deemed to be pending. No proposition on a subject different from that under consideration shall be admitted under color of amendment.

## **2.40—Sequence of amendments to amendments**

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

- (a) Amendments to the amendment are acted on before the substitute is taken up.
- (b) Amendments to the substitute are next voted on.
- (c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

#### **2.41—Deleting everything after enacting clause**

A proposal to delete everything after the enacting clause, or the resolving clause of a bill or resolution, and insert new matter of the same general subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

#### **2.42—Amendment by section**

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill or resolution is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The chair, in recognizing Senators for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the whole bill shall be open for amendment.

#### **2.43—Senate amendments to House bills**

A House bill may be amended in the same manner as a Senate bill.

#### **2.44—Amendments by another committee**

Amendments recommended by all committees of reference shall accompany a bill when filed with the Secretary. No committee shall physically remove an amendment by another committee but may recommend an amendment to an amendment, or a substitute for an amendment, by another committee. Amendments adopted by a committee to be incorporated in a committee substitute need not be filed.

### **PART SEVEN—COMMITTEES—DECORUM AND DEBATE**

#### **2.45—Decorum and debate**

When a Senator desires to speak or deliver a matter to the committee, the Senator shall address himself or herself to “Mr. or Madam Chair” and, on being recognized, may address the committee and shall confine himself or herself to the question under debate, avoiding personality. A Senator shall not address or refer to another Senator by his or her first name. A Senator shall use the appellation of Senator or such appellation and the surname of the Senator referred to or addressed.

## **2.46—Chair’s power to recognize**

When two (2) or more Senators speak at once, the chair shall name the Senator who is to be first recognized.

## **2.47—Interruptions; when allowed**

(1) No Senator shall be interrupted by another without the consent of the Senator who has the floor, except by:

- (a) Rising to a question of privilege;
- (b) Rising to a point of order requiring an immediate ruling;
- (c) Rising to appeal a decision of the chair concerning a point of order (if the appeal is made immediately following the decision);
- (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
- (e) Rising to question the existence of a quorum.

(2) The chair shall strictly enforce this Rule.

## **2.48—Speaking rights**

(1) When a member is speaking and another member interrupts to request recognition, the chair may permit the person rising to state why he or she desires the floor. If the question the member desires to raise is entitled to precedence, the member originally speaking shall relinquish the floor until the question having precedence is disposed of. The member is then entitled to resume the floor.

(2) The member making a debatable motion or the primary introducer of a bill, whether or not a member of the committee, shall have five (5) minutes in order to close debate.

## **2.49—Time for debate**

No Senator shall speak longer than ten (10) minutes without yielding the floor, except by consent of a majority of those committee members present.

## **2.50—Limitation on debate**

When a measure is under debate by the committee, a Senator may move to limit debate, and the motion shall be decided without debate. The introducer of the measure shall have five (5) minutes to discuss the motion, and the introducer may divide such time with, or waive it in favor of, some other member. If the question is decided in the affirmative by a two-thirds (2/3) vote of those committee members present, the debate shall be limited accordingly. The time allotted by such limitation shall be apportioned by the chair.

## **2.51—Priority of business**

All questions relating to the priority of business shall be acted on and shall be decided without debate.

## **2.52—Questioning right to vote**

A point of order questioning the right of a member to vote on account of interest may be raised after the vote has been recorded and before the result is announced.

## **2.53—Appeals**

The proper method of taking exception to a ruling of the chair is by appeal. An appeal from a decision of the chair must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; if the determination of the appeal is dependent on this point, it may be decided by the chair. This second (2nd) decision is also subject to appeal.

## **2.54—Appeals debatable**

An appeal from a decision of the chair on a point of order is debatable even though the question from which it arose was not debatable.

# **RULE THREE**

## **BILLS, RESOLUTIONS, AND MEMORIALS**

### **3.1—Form of bills**

(1) All bills shall contain a proper title, as defined in Article III, Section 6 of the *State Constitution*, and the enacting clause, “Be It Enacted by the Legislature of the State of Florida:.” The title of each bill shall be prefaced by the words, “A bill to be entitled An act.” Standard rules of capitalization shall apply.

(2) The original must be backed in a folder-jacket signed by the sponsor(s). On these jackets shall be inscribed the name and district number of the introducer and any co-introducers or the introducing committee and its chair, enough of the title for identification.

(5) When the change in language is so general that the use of these procedures would hinder, rather than assist, the understanding of the amendment, it shall not be necessary to use the coded indicators of words added or deleted but, in lieu thereof, a notation similar to the following shall be inserted immediately preceding the text of the provision being

amended: “Substantial rewording of section. See s. [number], F.S., for present text.” When such notation is used, the notation as well as the substantially reworded text shall be underlined.

(6) The words to be deleted and the above-described indicators of such words and of new material are for information and guidance and shall not be considered to constitute a part of the bill under consideration.

(7) Section catchlines of existing text shall not be typed with underlining.

### **3.2—Bills for introduction**

A bill may not be introduced until properly filed with the Secretary of the Senate.

### **3.3—Form of local bills**

As required by Article III, Section 10 of the *State Constitution*, all local bills must either embody provision for ratifying referenda (stated in the title as well as in the text of the bill) or be accompanied by an affidavit of proper advertisement. Forms of affidavit may be obtained from the Secretary of the Senate. All local bills that require publication shall, when introduced, have proof of publication securely attached to the original copy of the bill and the words “Proof of Publication Attached” clearly typed or stamped on the Senate side of the bill jacket or cover, or the same shall be rejected by the Secretary.

### **3.4—Form of joint resolutions**

All joint resolutions shall contain a proper title, as defined in Article III, Section 6 of the *State Constitution*. Standard rules of capitalization shall apply. (1) To facilitate processing and committee referencing, all bills (except for the general appropriations bill, local bills, Senate resolutions, and joint resolutions) shall be filed for introduction with the Secretary of the Senate no later than 12:00 noon of the first (1st) day of the regular session.

(2) A motion to waive this Rule shall be referred to the Committee on Rules and Calendar for a hearing and its advisory recommendation as to the existence of an emergency reasonably compelling consideration of a bill notwithstanding this Rule and a recommendation shall be reported back to the Senate. The Secretary shall number each bill to provide identity and control until a permanent number can be affixed.

(3) Between regular sessions of the Legislature, bills may be filed by delivery to the Secretary of the Senate.

### **3.8—Filed bills; consideration between regular sessions**

(1) A filed bill complying with these Rules shall, in anticipation of the next regular session, be serially numbered in accordance with the permanent system required by these Rules.

(2) The Secretary shall deliver each such numbered bill to the President for reference to a committee or committees pursuant to these Rules. The Secretary shall promptly forward each referenced bill to the first (1st) or only committee of reference. A copy of each filed bill shall be provided each Senator. The Secretary shall provide regularly to each Senator a calendar of all filed bills, including the referencing data for each bill, and of all committee hearings, including the bills noticed for hearing by each.

(3) After having been considered by a committee and a report made to the Secretary at least seven (7) days preceding a regular session, each bill shall be introduced and read on the first (1st) day thereof, pursuant to the *State Constitution*, *Laws of Florida*, and these Rules. The Journal shall reflect the committee reference and the report of the committee. All requirements for the referencing of bills to and the consideration of bills by Senate committees shall be deemed to have been met and discharged if the jurisdictional requirements of this Rule have been complied with as to each of such bills.

(4) If a committee fails to deliver its report of a filed bill prior to seven (7) days next preceding the convening of a regular session or, if a filed bill has received a reference to more than one (1) committee and fewer than all considered such bill, the committee or committees failing to so report and the committee or committees having failed to discharge their jurisdiction of a bill shall conduct hearings and file reports during the regular session as if such bill had not been filed prior to the first (1st) day of the regular session.

(5) Notwithstanding these Rules, a Senator may, during the day of introduction of filed bills, but no later than under the Order of Business of

“Motions Relating to Committee Reference” on the second (2nd) legislative day on which the Senate meets, move for reference to a different committee or for removal from a committee. This motion may be adopted by a two-thirds (2/3) vote of those Senators present. Prior to the introduction of a bill on the first (1st) day of the regular session, a Senator may give written notification to the Secretary of the Senate to withdraw his or her bill from further consideration of the Senate.

### **3.9—Copies of bills**

When introduced, bills, not local in application, and joint resolutions (including committee bills and committee substitute bills) shall be published by the Secretary for the information of the Senate and the public. The absence of a published copy shall not delay the progress of a measure at any stage of the legislative process. Sufficient copies of the general appropriations bill proposed to be introduced by the Committee on Ways and Means shall be made available to the members and, upon request, to the public, at the office of the Secretary of the Senate and at the committee’s office, no less than two (2) hours prior to the time the Committee on Ways and Means meets to consider the proposed committee bill.

### **3.10—Identification of bills**

Bills and other measures requiring legislative action shall be introduced in the order they are received at the desk of the Secretary. They shall be serially numbered with even numbers as introduced, without differentiation in number as to type. The Secretary shall mark the original copy of each measure to ensure its identification, and each page thereof, as the item introduced in order to prevent unauthorized or improper substitutions. This identification may be made by any device to accomplish the purpose of this Rule. Such device shall be in the custody of the Secretary, and its use by any person not authorized by this Rule is prohibited.

### **3.11—Companion measures**

When a Senate bill is reached on the calendar of the Senate for consideration, either on second (2nd) or third (3rd) reading, and there is also pending on the calendar of the Senate a companion measure already passed by the House, it shall be in order to move that the House companion measure be substituted and considered in lieu of the Senate measure. Such motion may be adopted by a majority vote of those Senators present, provided the House measure is on the same reading; otherwise, the motion shall be to waive the Rules by a two-thirds (2/3) vote of those Senators present and read such House measure. A companion measure shall be substantially the same and identical as to specific intent and purpose as the measure for which it is being substituted. At the moment the Senate passes the House companion measure, the original Senate measure shall be regarded as automatically tabled. Recommitment of a Senate bill shall automatically carry with it any House companion measure then on the calendar.

### **3.12—Introducers of bills; introducers no longer Senators**

(1) Bills shall be introduced by a Senator or group of Senators whose signature or signatures are affixed to the original, or by any committee with the name of the committee and the signature of the chair of the committee affixed to the original. The general appropriations bill shall be introduced by the Committee on Ways and Means.

(2) A bill introduced solely by a Senator who will not be a Senator at the next regular session of the Legislature shall be deemed withdrawn from further consideration of the Senate.

### **3.13—Fiscal notes**

(1) Upon being favorably reported by a standing committee, all general bills or joint resolutions affecting revenues, expenditures, or fiscal liabilities of state or local governments shall be accompanied by a fiscal note. Fiscal notes shall reflect the estimated increase or decrease in revenues or expenditures. The estimated economic impact, which calculates the present and future fiscal implications of the bill or joint resolution, must be considered. The fiscal note shall not express opinion relative to the merits of the measure, but may identify technical or mechanical defects.

(2) Fiscal notes on those bills affecting any state retirement system shall be prepared after consultation with an actuary who is a member of the Society of Actuaries and the cooperation of appropriate state agencies for necessary data shall be solicited.

(3) Fiscal notes shall be regarded as memoranda of factual information and shall be made available to members of the Senate.

(4) If a bill or joint resolution is reported favorably by a committee without a fiscal note or economic impact statement, as defined in this Rule, a Senator may at any time raise a point of order, and the President shall order return of the bill or joint resolution to the committee. A fiscal note prepared for a Senate bill or joint resolution shall be presumed as prepared also for its House companion for the purposes of point of order.

## **RULE FOUR**

  - (k) Consideration of Bills on Second (2nd) Reading
  - (l) Correction and approval of Journal

(2) The Secretary of the Senate shall prepare and distribute, on each legislative day, a calendar corresponding to the Daily Order of Business; and within each order of business, matters shall be considered in the order in which they appear on such daily calendar. Local bills may be omitted from the formal calendar and may be distributed to Senators by the Secretary separately.

(3) Certain messages from the House of Representatives may be withheld from the Daily Order of Business pursuant to Rule 1.18 or on order of the President.

(4) First (1st) reading of bills shall be accomplished by publication of the title thereof in the Journal pursuant to Article III, Section 7 of the *State Constitution*.

(5) Except by unanimous consent of those Senators present in session, no bill shall be considered by the Senate if the bill or a companion measure has not been first reported favorably by at least one (1) Senate committee.

#### **4.4—Committee of the Whole**

By a majority vote of those Senators present, the Senate may resolve itself into a Committee of the Whole and, when thus constituted, may consider any question whether formally introduced in the Senate or not. The Senate may, however, restrict the subject matter to be considered by the Committee of the Whole, or its jurisdiction, by resolving itself into a Committee of the Whole for a specific and limited purpose. The President shall preside and maintain order and decorum. The Rules of the Senate applicable to standing committees shall govern when applicable. The Committee of the Whole may consider and report, by majority vote of those

committee members present, on any bill or question not formally introduced in the Senate and any bill on which all standing committees of reference have rendered a favorable report. A bill on which committee action has been taken by the committee or committees of reference or on which an unfavorable committee report has been filed may be considered only by a two-thirds (2/3) vote of those committee members present. Such vote shall also be required to favorably report any such bill to the Senate. A bill thus originating in a Committee of the Whole shall, when introduced as contemplated by the *State Constitution*, receive no further reference to committee. A favorable report by a Committee of the Whole on a bill having theretofore received an unfavorable report by a standing committee of reference shall not have the effect of withdrawing such bill from the table. Consideration by the Senate of such a bill shall be preceded by the adoption of the appropriate motion during a session of the Senate. Bills considered by a Committee of the Whole shall be read once, debated, amended, and acted on as a standing committee function. The body of a bill formally introduced shall not be interlined or defaced, but all amendments denoting the page and line shall be entered on a separate paper by the Secretary of the Committee of the Whole. The same shall be agreed to by the committee, and the report filed as otherwise provided in these Rules for committee reports. After report, the bill or other matter may be again debated and shall be subject to be again amended by the Senate. The quorum for a Committee of the Whole shall be the same as for the Senate, and when the Committee of the Whole shall rise, the roll shall be called to ascertain the presence of a quorum of the Senate.

#### **4.5—Conference committee report**

(1) The report of a committee of conference appointed pursuant to Rule 1.5 shall be read to the Senate on two (2) consecutive legislative days, and on the completion of the second (2nd) reading the vote shall be on the adoption or rejection thereof and final passage of the measure as recommended. During the last five (5) days of a regular session the report shall be read only once. Copies of conference committee reports shall be available to the membership twelve (12) hours prior to the time such report is scheduled to be taken up on the Senate floor.

(2) The report must be acted on as a whole, being adopted or rejected, and each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(3) Except when the Senate is voting on a proposition, reports of committees of conference shall always be in order.

#### **4.6—Reference generally**

(1) All bills, including those that are strictly local in nature, shall be referred by the President to appropriate committees and standing subcommittees.

(2) Bills received by the President during a regular session and within three (3) weeks next preceding the convening of a regular session shall be referred within seven (7) days. Upon failure of the President to refer-

ence such bills within this limitation, they shall be referred to committees as may be recommended by the sponsor. In the event of extended absence of the President or the President's disability or incapacity, the President Pro Tempore shall assume the duty of referring bills.

(3) When the Legislature is not in session, the President may change or correct a bill reference. Notice shall be given to the Secretary of the Senate and the bill sponsor.

(4) If the President has not previously designated a standing subcommittee of reference, the chair of the standing committee shall promptly determine whether such measure shall initially be considered by the full committee, a standing subcommittee, or a select subcommittee appointed by the chair. The chair, in referring a bill to a subcommittee, shall specify the number of days available for consideration. If subreference is to a standing subcommittee, the chair of the standing committee shall promptly report this reference and the time allowed for consideration to the Secretary of the Senate on forms provided for the purpose.

(5) The reference of a bill that appears to be local in nature shall be to the Committee on Rules and Calendar to determine whether such measure is local in nature for reference purposes and whether it responds to the legal requirements of a local bill.

(6) A bill is local in nature for referencing purposes if it does not substantially alter a law of general application throughout the state and it either affects no more than one (1) county or relates to a special district that is located wholly within no more than two (2) counties.

(7) When the Committee on Rules and Calendar, through staff analysis, has determined that the bill is not local in nature for referencing purposes, the committee shall report such determination to the President of the Senate, who shall refer such bill to an appropriate standing committee for hearing. Such report shall be made within fifteen (15) legislative days from date of reference to the Committee on Rules and Calendar. When the Committee on Rules and Calendar, through staff analysis, has determined that a bill is local in nature for referencing purposes and that it responds to the legal requirements of a local bill, the bill shall be reported and referred to the calendar on local bills.

#### **4.7—Reference to more than one committee; effect**

In case of multiple reference of a bill, it shall be considered by each committee separately in the order in which the multiple reference is made. However, if any committee to which the bill is referred makes an unfavorable report on said bill, that report shall be filed with the Senate and no further consideration given by other committees except by a two-thirds (2/3) vote of those Senators present. If a committee reports a bill favorably with committee substitute, other committee consideration shall be directed to the substitute and not to the original.

#### **4.8—Reference of bills affecting appropriations, revenue, retirement, or county or municipal spending**

All bills authorizing or substantially affecting appropriations or tax revenue shall be reviewed by the Committee on Ways and Means or any other appropriate committee. All bills substantially affecting a state-funded or state-administered retirement system shall be reviewed by the Committee on Governmental Oversight and Productivity. All bills which are affected by the provisions of Article VII, Section 18 of the *State Constitution* shall be reviewed by the Committee on Community Affairs. A bill that is amended to substantially affect appropriations or tax revenue, a state retirement program, or expenditures or revenues as set forth in Article VII, Section 18 of the *State Constitution* shall, before being placed before the Senate for final passage, be reviewed along with all amendments by the Committee on Ways and Means or any other appropriate committee for recommendation to the Senate, which review during the last ten (10) days of a regular session shall be accomplished within twenty-four (24) hours.

#### **4.81—Claim bills**

(1) Claim bills are of two (2) types: excess judgment claims filed pursuant to section 768.28(5), *Florida Statutes*, and equitable claims filed without an underlying excess judgment.

(2) All claim bills shall be filed with the Secretary of the Senate on or before August 1 in order to be considered by the Senate during the next regular session, except that members elected to the Senate during a general election may have sixty (60) days from the date of that election to file a claim bill(s). Senators currently serving who are re-elected during a general election are not subject to the immediately preceding provision relating to sixty (60) days. A motion to introduce a claim bill notwithstanding the claim bill filing deadline, shall be referred to the Committee on Rules and Calendar for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. A House claim bill which does not have a Senate companion claim bill timely filed under this Rule shall not be considered by the Senate. Any motion to consider a House claim bill which does not have a timely filed Senate companion bill shall be referred to the Committee on Rules and Calendar for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. The determination by the Committee on Rules and Calendar shall be reported back to the Senate. Upon a determination by the committee that an emergency does exist, the motion may be considered by the Senate and must be adopted by a two-thirds (2/3) vote of those Senators present.

(3) All claim bills shall be referred by the President to one (1) or more committees for review. If the President determines that a de novo hearing is necessary to determine liability, proximate cause, and damages, a Special Master shall conduct such hearing pursuant to reasonable notice. Discovery procedures shall be governed by the Florida Rules of Civil Procedure and the Florida Evidence Code, as applicable. The Special

Master shall administer an oath to all witnesses, accept relevant documentary and tangible evidence properly offered, tape record the proceedings, and prepare a final report containing findings of fact, conclusions of law, and recommendations no later than December 1. The report shall be signed by the Special Master who shall be available, in person, to explain his or her report to the committees and to the Senate.

(4) On receipt of the Special Master's report and recommendations, if any, the Secretary shall, under the President's initial reference, deliver each claim bill with the report attached, to the committee or committees of reference.

(5) Stipulations entered into by the parties are not binding on the Special Master, the Senate, or its committees.

(6) The hearing and consideration of a claim bill shall be held in abeyance until all available administrative and judicial remedies have been exhausted; except that the hearing and consideration of a claim that is still within the judicial or administrative systems may proceed where the parties have executed a written settlement agreement.

#### **4.9—Reference of resolutions**

All resolutions shall be referred by the President to a standing committee, except resolutions on Senate organization, resolutions of condolence and commemoration that are of a statewide nonpolitical significance, or concurrent resolutions recalling a bill from the Governor's office. These may be considered on motion and adopted at time of introduction without reference, except that resolutions of condolence or commemoration that are of a statewide nonpolitical significance, may be shown as introduced, read, and adopted by publication in full in the Journal.

#### **4.10—Reference to different committee or removal**

When the President has referred a bill, the Chair of the Committee on Rules and Calendar may move for reference to a different committee or for removal from any committee after the sponsor of the bill has filed a request with the Rules Chair signed by the chair of the affected committee, the Chair of the Committee on Rules and Calendar, and the President. This motion may be adopted by a two-thirds (2/3) vote of those Senators present.

#### **4.11—Papers of miscellaneous nature**

Papers of a miscellaneous nature addressed to the Senate may, at the discretion of the President, be read, noted in the Journal, or filed with an appropriate committee. When there is a demand to read a paper other than one on which the Senate is called to give a final vote and the same is objected to by any Senator, it shall be determined by a majority vote of those Senators present.

#### **4.12—Reading of bills and joint resolutions**

Each bill or joint resolution shall receive three (3) separate readings on three (3) separate days previous to a vote on final passage unless decided

otherwise by a two-thirds (2/3) vote of those Senators present as provided in Article III, Section 7 of the *State Constitution*.

#### **4.13—Reading of concurrent resolutions and memorials**

Each concurrent resolution or memorial shall receive two (2) separate readings on two (2) separate days previous to a voice vote on adoption, unless decided otherwise by a two-thirds (2/3) vote of those Senators present. If the reading on the second (2nd) day is dispensed with by this waiver, the concurrent resolution or memorial may be read the second (2nd) time by title only.

#### **4.14—Reading of Senate resolutions**

On introduction each Senate resolution shall be read by title only and shall be read an additional time in full before the question is put on adoption by voice vote, except that resolutions of condolence or commemoration that are of a statewide nonpolitical significance may be shown as introduced, read, and adopted by publication in full in the Journal.

#### **4.15—Referral or postponement on third (3rd) reading**

On the third (3rd) reading of a bill or joint resolution, it shall not be referred or committed (except to the Committee on Ways and Means) or amended (except a corrective or title amendment) except by a two-thirds (2/3) vote of those Senators present, nor shall the vote on passage be postponed to a day certain without the consent of a majority of those Senators present.

#### **4.16—Consideration out of regular order**

A bill shall be considered out of regular order on the calendar on unanimous consent of those Senators present obtained in the following manner: Prior to the consideration of the motion, the Senator moving for unanimous consent of those Senators present shall orally give the membership not less than fifteen (15) minutes' notice of his or her intention to move and shall specify the number of the bill or joint resolution and its position on the calendar. On entertainment of the motion, the moving Senator shall be allowed one (1) minute to explain his or her purpose, and unanimous consent of those Senators present shall be given or refused without further debate.

#### **4.17—Special Order Calendar; Consent Calendar**

(1) Commencing on the first (1st) day of a regular session of the Legislature permitted under the *State Constitution* and during any extension directed by the membership of the Legislature as permitted under the *State Constitution*, the Special Order Calendar Subcommittee of the Committee on Rules and Calendar, consisting of the Chair of the Committee on Rules and Calendar, the Vice-Chair of the Committee on Rules and Calendar, the Majority Leader, the Minority Leader, and two (2) other members of the committee designated by the chair, shall on each day submit a Special Order Calendar determining the priority for consideration of bills. Except for the first (1st) day, each Special Order Calendar

shall be for the second (2nd) succeeding legislative day on which the Senate meets, and this calendar may include bills that had been scheduled for Special Order on the previous legislative day. No other bills shall be considered until this Special Order Calendar has been completed by the Senate, except that any bill appearing on this calendar may be stricken by a two-thirds (2/3) vote of those Senators present or any bill appearing on the general calendar of bills on second (2nd) or third (3rd) reading may be added to the end of the Special Order Calendar by the same vote. All bills set as Special Order for consideration at the same hour shall take precedence in the order in which they were given preference.

(2) A two-thirds (2/3) vote of those Senators present shall be required to establish a Special Order except as provided in this Rule. Notice of time and place for the establishment of the Special Order shall be published in the (daily calendar); provided, during the last ten (10) days of each regular session notice of time and place may be given by announcement from the floor.

(3) The Chair of the Committee on Rules and Calendar, with the approval of the President, may submit a Consent Bill Calendar to be held in conjunction with the Special Order Calendar. When such a day is designated, all bills appearing on the Consent Calendar shall be considered in their order of appearance. However, if an objection by any member shall cause such bill to be temporarily postponed, it retains its order on the regular calendar. A Senator may designate only a bill that he or she sponsors or a House bill for the Consent Calendar. A committee chair may designate a committee bill sponsored by his or her committee. All Consent Calendar bills must have appeared on the printed Senate calendar.

#### **4.18—Local Bill Calendar**

Local bills shall be disposed of according to the calendar of bills of a local nature and shall be considered only at such time as determined by the Chair of the Committee on Rules and Calendar and approved by the President.

#### **4.19—Order after second (2nd) reading**

The order of disposition of a bill that has been read the second (2nd) time shall be its reference to the engrossing clerk to be engrossed after all questions relative to it while on second (2nd) reading have been disposed of, and the same shall be immediately engrossed and placed on the calendar of bills on third (3rd) reading to be considered on some succeeding legislative day. No bill shall be committed to the engrossing clerk or placed on the calendar of bills on third (3rd) reading unless all motions relative to it and placed, by the President, before the Senate have been disposed of. Amendments filed with the Secretary, the adoption of which have not been formally moved, shall not be construed to be pending so as to deter such advancement. A bill shall be available for its third (3rd) reading when it has been read a second (2nd) time on a previous day and no motion left pending. Bills calendared for second (2nd) or third (3rd) reading shall not

be considered on such reading until reached on the calendar and appropriately read to the Senate pursuant to order of the President.

#### **4.20—Enrolling**

The Secretary of the Senate shall be responsible for the enrolling of all bills. After enrollment, all bills shall be signed by the President and the Secretary and the enrolling report shall be published in the Journal.

#### **4.21—Veto messages**

As required by Article III, Section 8 of the *State Constitution*, if the originating house votes to re-enact a vetoed measure, whether in a regular or special session, and the other house does not consider or fails to re-enact the vetoed measure, no further consideration by either house at any subsequent session may be taken. If a vetoed measure is presented at a special session and the originating house does not consider it, the measure will be available for consideration at any intervening special session and until the end of the next regular session. All veto messages shall be referred to the Committee on Rules and Calendar.

### **RULE FIVE**

#### **VOTING**

#### **5.1—Taking the yeas and nays**

The President shall declare all votes, but, if five (5) Senators immediately question a vote by a show of hands, the President shall take the vote by yeas and nays or electronic roll call. When taking yeas and nays on any question, the electronic roll call system may be used and shall have the force and effect of a roll call taken as provided in these Rules. Also this system may be used to determine the presence of a quorum. When the Senate is ready to vote on a question requiring roll call and the vote is by electronic roll call, the President shall state: “The Secretary will unlock the machine and Senators prepare to vote.” When sufficient time has elapsed for each Senator to vote, the President shall say: “Have all voted?” And, after a short pause, shall state: “The Secretary shall now lock the machine and record the vote.” When the vote is completely recorded, the President shall announce the result to the Senate; and the Secretary shall enter in the Journal the result. When the Senate is equally divided, the question shall be lost.

#### **5.2—Change of vote**

(1) After the result of the vote has been announced by the President, a Senator with unanimous consent of those Senators present may change his or her vote or vote on the measure except that no such change of vote or vote shall be valid where such vote would alter the final passage of the measure until the measure shall first have been recalled to the Senate for further consideration. Records of such requests shall be available at the

Secretary's desk through the session. If no objections are raised before the close of the business that day, requests will be accepted.

(2) The original roll call shall not be altered, but late votes and change of votes shall be recorded under the original roll call in the Journal. On request of a Senator before considering other business, the President shall order a verification of a vote.

### **5.3—Casting vote for another**

No Senator shall cast a vote for another Senator unless the Senator is present in the chamber area and requests the casting of said vote, nor shall a person not a Senator cast a vote for a Senator. In addition to such penalties as may be prescribed by law, a Senator who shall without such authorization vote or attempt to vote for another Senator may be punished as the Senate may deem proper. Also, a person not a Senator who shall vote in the place of a Senator shall be excluded from the Chamber for the remainder of the session.

### **5.4—Pairing**

(1) Pairing, a type of absentee voting by which a Senator who is excused from attendance agrees with a Senator who would have voted opposite the excused Senator, shall be permitted.

(2) The Senator in attendance shall not vote in the electronic roll call.

(3) The pair vote form shall:

- (a) State the bill to which the pair applies,
- (b) Indicate how both Senators would have voted,
- (c) Be filed with the Secretary prior to the vote, and
- (d) Be recorded in the Journal.

### **5.5—Explanation of vote**

No Senator shall be permitted to explain his or her vote during a roll call but may submit his or her explanation in writing and file it with the Secretary. This explanation shall be entered in the Journal.

### **5.6—Election by ballot**

In all cases of ballot, a majority of the votes cast shall be necessary to an election. If, however, no one is elected on the first three (3) ballots, the names after the top two (2) in number of votes received on the third (3rd) tally shall be dropped, and the Senate shall ballot on the two (2) names remaining.

## **RULE SIX**

### **MOTIONS AND PRECEDENCE**

#### **6.1—Motions; how made, withdrawn**

Every motion may be made orally. On request of the President, a Senator shall submit his or her motion in writing. After a motion has been stated or read by the President, it shall be deemed to be in possession of

the Senate and, without a second, shall be disposed of by vote of the Senate. The mover may withdraw a motion, except a motion to reconsider, as hereinafter provided, at any time before the same has been amended or before the vote shall have commenced.

## **6.2—Motions; precedence**

(1) When a question is under debate, the President shall receive no motion except:

- (a) To adjourn
  - 1. Instantly
  - 2. At a time certain
- (b) Questions of privilege
- (c) To take a recess
- (d) To proceed to the consideration of executive business
- (e) To reconsider
- (f) To limit debate
- (g) To temporarily postpone
- (h) To postpone to a day certain
- (i) To commit to the Committee of the Whole
- (j) To commit to a standing committee
- (k) To commit to a select committee
- (l) To amend
- (m) To postpone indefinitely

which shall have precedence in the descending order given. A motion to discharge Senate conferees and to appoint or instruct said conferees as set forth in Rule 2.19 is a motion of the highest privilege and this motion shall have precedence over all other questions except motions to adjourn and questions of privilege.

(2) The President shall propound all questions in the order in which they are moved unless the subsequent motion be previous in nature.

(3) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one (1) substitute shall be entertained and the substitute shall be in the same order of precedence.

## **6.3—Division of question**

A Senator may call for a division of a question when the sense will admit of it. A motion to strike out and insert shall be deemed indivisible; a motion to strike out, being lost, shall neither preclude amendment nor a motion to strike out and insert.

## **6.4—Reconsideration generally**

(1) When a main question (the vote on passage of a measure, including a vote on a veto message, confirmation of executive appointments, removal or suspension from office) has been decided by the Senate, a Senator voting with the prevailing side may move for reconsideration of the question on the same or the next legislative day on which the Senate meets.

- (a) If the question has been decided by voice vote, any Senator may so move.
  - (b) When a majority of those Senators present vote in the affirmative on any question but the proposition be lost because it is one in which the concurrence of more than a majority of those Senators present is necessary for adoption or passage, any Senator may move for reconsideration.
- (2) Such motion may be made pending a motion to adjourn or if it is time to adjourn.
- (a) Consideration of a motion to reconsider shall be a special and continuing order of business for the Senate when it next meets on a legislative day succeeding that on which the motion was made and, unless considered on said day, shall be considered abandoned. If the Senate shall refuse to reconsider or, on reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except on unanimous consent of those Senators present.
  - (b) During the last five (5) days of a regular session, a motion to reconsider shall be made and considered on the same day.

### **6.5—Reconsideration; vote required**

A majority of the affirmative votes of those Senators present shall be required to adopt a motion to reconsider.

### **6.6—Reconsideration; debate**

Debate shall be allowed on a motion to reconsider only when the question which it is proposed to reconsider is debatable. When the question is debatable no Senator shall speak thereon more than once nor longer than five (5) minutes.

### **6.7—Reconsideration; collateral matters and procedural motions**

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the Senate has passed to other business. Reconsideration of a procedural motion shall be considered on the same day on which it is made.

### **6.8—Reconsideration; Secretary to hold for period**

The Secretary shall hold all bills for the period after passage during which reconsideration may be moved. The adoption of any motion to waive the Rules by a two-thirds (2/3) vote of those Senators present and immediately certify any bill or joint resolution to the House shall be construed as releasing the measure from the Secretary's possession for the period of reconsideration and shall, thereafter, preclude reconsideration. During the last five (5) calendar days allowed under the *State Constitution* for a regular session and during any extensions thereof, or during any special session, the bills shall be immediately transmitted to the House. Messages relating to Senate action on House amendments or to conference committee reports shall be transmitted forthwith.

## **6.9—Motion to indefinitely postpone**

The adoption of a motion to indefinitely postpone a measure shall dispose of it for the duration of the legislative session and all extensions thereof. A motion to postpone consideration to a time beyond the last day allowed under the *State Constitution* for the current legislative session shall be construed as a motion to indefinitely postpone. Motions to indefinitely postpone shall not be applicable to collateral matters.

## **RULE SEVEN**

### **AMENDMENTS**

### **7.1—General form; notice; manner of consideration**

(1) No amendment to a bill on any Senate Calendar which was prepared prior to the time a session of the Senate has convened shall be considered by the Senate unless the amendment was filed with the Secretary of the Senate no later than 5:00 p.m. the day prior to the day that session was called to order. Copies of such amendments shall be made reasonably available by the Secretary of the Senate before the session, upon request, to the members and to the public. The consideration of all amendments not timely filed in accordance with this rule, requires a two-thirds (2/3) vote of those Senators present.

(2) Amendments shall be filed with the Secretary on forms prescribed by the Secretary but shall be considered only after sponsors gain recognition from the President to move their adoption, except that the chair of the committee (or, in the chair's absence, the vice-chair or any member thereof) reporting the measure under consideration shall have preference for the presentation of committee amendments. An amendment shall be deemed pending only after its sponsor has been recognized by the President and has moved its adoption. Amendments that have been filed with the Secretary of the Senate but have not been formally moved for adoption shall not be deemed to be pending.

(3) No proposition on a subject different from that under consideration shall be admitted under color of amendment. The following bills are out of order and shall not be admitted or considered under color of amendment to a bill on the calendar and under consideration by the Senate:

- (a) Bills which have received an unfavorable committee report.
- (b) Bills which have been withdrawn from further consideration by the sponsor.
- (c) Bills the substance of which have not been reported favorably by all committees of reference.
- (d) Bills which have not been published at least one (1) legislative day under Bills on Second Reading in the Senate calendar.

Amendments covered by this Rule shall be substantially the same and identical as to specific intent and purpose as the measure residing in the committee or committees of reference.

## **7.2—Adoption**

(1) On second (2nd) reading, amendments may be adopted by a majority vote of those Senators present.

(2) On third (3rd) reading, amendments and amendments to amendments shall be adopted by a two-thirds (2/3) vote of those Senators present. Amendments to the title or corrective amendments may be decided, without debate, by a majority vote of those Senators present on third (3rd) reading.

## **7.3—Sequence of amendments to amendments**

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

- (a) Amendments to the amendment are acted on before the substitute is taken up. Only one (1) amendment to the amendment is in order.
- (b) Amendments to the substitute are next voted on.
- (c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

## **7.4—Deleting everything after enacting clause**

A proposal to delete everything after the enacting clause, or the resolving clause of a bill or resolution, and insert new matter of the same general subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

## **7.5—Amendment by section**

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The President, in recognizing Senators for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

## **7.6—Printing in Journal**

All amendments taken up by the Senate unless withdrawn shall be printed in the Journal except that an amendment to the general appropriations bill constituting an entirely new bill shall not be printed until the filing of the conference committee report. All item amendments to the general appropriations bill shall be printed.

### **7.7—Senate amendments to House bills**

A House bill may be amended in the same manner as a Senate bill. If a House bill is amended, the same shall be noted by the Secretary on the jacket before it is reported to the House.

### **7.8—House amendments to Senate bills**

(1) After the reading of a House amendment to a Senate bill, the Senate may:

- (a) Amend the House amendment,
- (b) Concur in the House amendment,
- (c) Refuse to concur in the House amendment and ask the House to recede, or
- (d) Request a conference committee.

(2) The adoption of all the foregoing motions shall be by majority vote of those Senators present.

### **7.9—House refusal to concur in Senate amendment**

(1) If the House shall refuse to concur in a Senate amendment to a House bill, the Senate may:

- (a) Recede,
- (b) Insist that the House concur and request a conference committee, or
- (c) Insist that the House concur.

(2) The adoption of any of the foregoing motions shall be by majority vote of those Senators present.

## **RULE EIGHT**

### **DECORUM AND DEBATE**

#### **8.1—Decorum and debate**

When a Senator desires to speak or deliver a matter to the Senate, the Senator shall rise at his or her seat and address himself or herself to “Mr. or Madam President,” and, on being recognized, may address the Senate from his or her desk or from the well of the Senate, and shall confine any remarks to the question under debate, avoiding personality. A Senator shall not address or refer to another Senator by his or her first name. A Senator shall use the appellation of Senator or such appellation and the district number of the Senator being addressed, or a Senator may also use such appellation and the surname of the Senator referred to or addressed.

#### **8.2—Presiding officer’s power of recognition**

When two (2) or more Senators rise at once, the presiding officer shall name the Senator who is first to be recognized.

#### **8.3—Interruptions; when allowed**

(1) No Senator shall be interrupted by another without the consent of the Senator who has the floor, except by:

- (a) Rising to a question of privilege;
- (b) Rising to a point of order requiring an immediate ruling;
- (c) Rising to appeal a decision of the presiding officer concerning a point of order (if the appeal is made immediately following the decision);
- (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
- (e) Rising to question the existence of a quorum.

(2) The presiding officer shall strictly enforce this Rule.

#### **8.4—Senator speaking, rights**

(1) When a member is speaking and another member interrupts to request recognition, the presiding officer may permit the person rising to state why he or she desires the floor. If the question the member desires to raise is entitled to precedence, the member originally speaking shall relinquish the floor until the question having precedence is disposed of. The member then is entitled to resume the floor.

(2) The Senator making a debatable motion or the primary introducer of a bill shall have five (5) minutes in order to close debate.

#### **8.5—Limit on speaking**

No Senator shall speak longer than thirty (30) minutes without yielding the floor, except by consent of a majority of those Senators present.

#### **8.6—Limitation of debate**

When a measure is under debate by the Senate, a Senator may move to limit debate, and such motion shall be decided without debate, except the introducer of the measure shall have five (5) minutes to discuss said motion. If, by a two-thirds (2/3) vote of those Senators present, the question is decided in the affirmative, debate shall be limited accordingly.

#### **8.7—Points of order, parliamentary inquiry, definitions**

A point of order is the parliamentary device that is used to require a deliberative body to observe its own rules and to follow established parliamentary practice. A parliamentary inquiry is the device for obtaining a predetermination of a rule or a clarification thereof and may be presented in hypothetical form.

#### **8.8—Questioning right to vote**

A point of order questioning the right of a member to vote on account of interest may be raised after the vote has been recorded and before the result is announced.

#### **8.9—Appeals**

Taking exception to a ruling of a presiding officer shall be by appeal. An appeal from a decision of the presiding officer must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but

a point of order relating to the appeal may be raised; and, if the determination of the appeal is dependent on this point, it may be decided by the presiding officer. This second (2nd) decision is also subject to appeal.

### **8.10—Appeals, debatable**

An appeal from a decision of the presiding officer on a point of order is debatable even though the question from which it arose was not debatable.

### **8.11—Questions of privilege**

- (1) Questions of privilege shall be:
  - (a) Those affecting the rights of the Senate collectively, its safety, dignity, and the integrity of its proceedings; and
  - (b) The rights, reputation, and conduct of Senators individually, in their representative capacity only.

(2) These shall have precedence over all other questions except motions to adjourn. The question shall not be recognized during the debate on a bill. A question of privilege affecting either house collectively takes precedence over a question of privilege affecting an individual member.

## **RULE NINE**

### **LOBBYING**

#### **9.1—Those required to register**

All persons (except those specifically exempted) who seek to encourage the passage, defeat, or modification of legislation in the Senate or before its committees shall, before engaging in such activity, register as prescribed by law and the Joint Rules of the Florida House and Senate.

### **9.4—Advisory opinions**

(1) A lobbyist, when in doubt about the applicability and interpretation of this Rule in a particular context, may submit in writing a statement of the facts involved to the Committee on Rules and Calendar and may appear in person before said committee.

### **9.5—Compilation of opinions**

The Secretary of the Senate shall keep a compilation of all advisory opinions of the Committee on Rules and Calendar.

### **9.6—Penalties for violations**

Separately from any prosecutions or penalties otherwise provided by law, any person determined to have violated the requirements of this Rule shall be censured, reprimanded, placed on probation, or prohibited from lobbying for the duration of the session and from appearing before any committee of the Senate. Said determination shall be made by a majority of the Senate and on recommendation of the Committee on Rules and Calendar. The Committee on Rules and Calendar, before making said recommendation, shall conduct a hearing, after notifying the person alleged to have violated this Rule and granting such person an opportunity to appear at the hearing.

### **9.7—Committees to be diligent**

Committees shall be diligent to ascertain whether those who appear before them, in other than an obviously individual capacity, have conformed with the requirements of this Rule, the Joint Rules, and the *Laws of Florida*, and shall report violations. #### **11.2—Waiver and suspension of Rules**

These Rules shall not be waived or suspended except by a two-thirds (2/3) vote of those Senators present. The motion, when made, shall be decided without debate. A motion to waive a Rule requiring unanimous consent of the Senate shall be construed to be an amendment to these Rules and shall be referred to the Committee on Rules and Calendar except by unanimous consent of those Senators present.

#### **11.3—Changes in Rules**

All proposed actions regarding the Rules and Order of Business in the Senate shall be first referred to the Committee on Rules and Calendar, which shall report as soon as practicable. Consideration of such a report shall always be in order. The Committee on Rules and Calendar may orig-

inate reports and resolutions dealing with these Rules and the Order of Business, and such power shall be exclusive, provided, however, that any report made pursuant to this Rule may be amended by a two-thirds (2/3) vote of those Senators present.

#### **11.4—Majority action**

Unless otherwise indicated by these Rules or the *State Constitution*, all action by the Senate shall be by majority vote of those Senators present.

#### **11.5—Uniform construction**

When in these Rules reference is made to “two-thirds (2/3) of those present,” “two-thirds (2/3) vote,” “two-thirds (2/3) of the Senate,” “two-thirds (2/3) of those voting,” etc., these shall all be construed to mean two-thirds (2/3) of those Senators present, except that two-thirds (2/3) of the membership of the Senate shall be required to consider additional proposed legislation in any extended session in accordance with Article III, Section 3 of the *State Constitution*.

#### **11.6—General**

When used in these Rules, the following words shall, unless the text otherwise indicates, have the following respective meaning: the singular always includes the plural. Except where specifically provided otherwise, the use of the word “bill” or “measure” means a bill, joint resolution, concurrent resolution, resolution, or memorial.

### **RULE TWELVE**

#### **EXECUTIVE SESSIONS, APPOINTMENTS, SUSPENSIONS, AND REMOVALS**

#### **PART ONE—EXECUTIVE SESSIONS**

##### **12.1—Executive session; authority**

The business of the Senate shall be transacted openly and not in executive session except under conditions pursuant to Article III, Section 4(b) of the *State Constitution*.

##### **12.2—Executive session; purpose**

Pursuant to Article III, Section 4(b) of the *State Constitution*, the Senate may resolve itself into executive session for the sole purpose of considering appointment, removal, or suspension. No one shall be in attendance except Senators, and the Secretary of the Senate, and staff as approved by the President, who shall be sworn not to disclose any executive business without consent of the Senate.

##### **12.3—Executive session; vote required**

When the Senate agrees, by a majority of those Senators present, that specified appointments, removals, or suspensions shall be considered in executive session, such shall be calendared for formal consideration by the Senate.

#### **12.4—Work product confidentiality**

All information and remarks including committee work product concerning the character and qualification, together with the vote on each appointment, removal, or suspension considered in executive session shall be kept confidential except information on which the bans of confidentiality were lifted by the Senate while in executive session.

#### **12.5—Separate Journal**

A separate Journal shall be kept of executive proceedings of the Senate, and no information regarding same shall be made public except by order of the Senate or by order of a court of competent jurisdiction.

#### **12.6—Violation of Rule**

Violation of the above Rules as to the confidentiality of the proceedings of executive sessions shall be considered by the Senate as sufficient grounds for unseating the offending Senator.

### **PART TWO—APPOINTMENTS, SUSPENSIONS, AND REMOVALS**

#### **12.7—Procedure**

(1) Except as otherwise herein provided, on receipt by the Senate of appointments or suspensions on which action by the Senate is required, the President shall refer each to the Committee on Ethics and Elections, other appropriate committee or to a Special Master appointed by the President. Either one shall make inquiry or investigation and hold hearings, as appropriate, and advise the President and the Senate with a recommendation and the necessity for deliberating the subject in executive session. Reports and findings of the committee or the Special Master appointed pursuant hereto are advisory only and shall be made to the Senate President. The report of the committee or the Special Master may be privileged and confidential. The President may order the report presented to the Senate in either open or executive session, or the President may refer it to the Committee on Rules and Calendar for its consideration and report. When the report is presented to the Senate in open session or received by the Committee on Rules and Calendar, the report shall lose its privileged and confidential character.

(2) Upon receipt of a request by the Governor or other appointing official or authority for the return of the documentation of an appointment, which appointment has not been acted upon by the Senate, the Secretary of the Senate, upon consultation with the President, shall return the appointment documentation and the return shall be noted in the Journal of the Senate. The appointee whose appointment was returned continues in office until the end of the next ensuing session of the Legislature or until the Senate confirms a successor, whichever occurs first.

- (a) If the appointment returned was made by the Governor, official or authority's predecessor, the appointee shall not be

subject to the provisions of section 114.05(1)(e) or (f), *Florida Statutes*, during the period of withdrawal.

- (b) If the appointment returned was made by the Governor, official or authority requesting the return, for purposes of section 114.05(1)(e) and (f), *Florida Statutes*, the returned appointment shall be treated as if the Senate failed to consider the appointment.
- (3)(a) An executive suspension of a public official who is under indictment or who has pending against him or her criminal charges filed by the appropriate prosecuting officer in a court of record, or an executive suspension of a public official that is challenged in a court shall be referred to the Committee on Ethics and Elections, other appropriate committee or Special Master; however, all inquiry or investigation or hearings thereon shall be held in abeyance and the matter shall not be considered by the Senate, the committee or the Special Master until the pending charges have been dismissed, or until final determination of the criminal charges at the trial court level, or until the final determination of a court challenge, if any, and the exhaustion of all appellate remedies for any of the above.
- (b) In a suspension case in which the criminal charge is not for the alleged commission of a felony, the committee or the Special Master, and the Senate may proceed if the written consent of counsel for the Governor and of the suspended official is obtained.

(4) The Governor and the suspended official shall be given reasonable notice in writing of any hearing or pre-hearing conference before the committee or Special Master.

(5) The suspended official may file with the Secretary of the Senate, no later than ten (10) days prior to the first (1st) pre-hearing conference, or no later than the date set by the committee or Special Master if no pre-hearing conference is held, all written defenses or matters in avoidance of the charges contained in the suspension order.

(6) When it is advisable, the committee or Special Master may request that the Governor file a bill of particulars containing a statement of further facts and circumstances supporting the suspension order. Within twenty (20) days after the receipt of such bill of particulars by the suspended officer, that officer shall file with the committee or Special Master a response to the Governor's bill of particulars. Such response shall specifically admit or deny the facts or circumstances set forth in the Governor's bill of particulars, and may further make such representation of fact and circumstances or assert such further defenses as are responsive to the bill of particulars or as may bear on the matter of the suspension.

(7) The committee or Special Master may provide for a pre-hearing conference with counsel for the Governor and the suspended official to nar-

row the issues involved in the suspension. At such conference, both the Governor and the suspended official shall set forth the names and addresses of all the witnesses they intend to call, the nature of their testimony, and photocopies of all documentary and a description of all physical evidence that will be relied on by the parties at the hearing. Each shall state briefly what each expects to prove by such testimony and evidence.

(8) Subject to the limitations of Rule 12.7(3) the committee or Special Master shall institute action by transmitting a notice of hearing for a pre-hearing conference or a hearing on the merits within three (3) months after the effective date of the suspension order. If a suspension order is referred to the committee or Special Master but is held in abeyance in accordance with Rule 12.7(3), the committee or Special Master shall institute action within three (3) months after the termination of pending proceedings as described in Rule 12.7(3). The Senate may act on the recommendations of the committee or Special Master at any time it is in session but shall do so no later than the end of the next regular session of the Legislature.

(9) For the purposes of Article IV, Section 7(b) of the *State Constitution*, the Senate may find that the suspended official has committed a felony notwithstanding that a court may have withheld adjudication of guilt upon which the suspension order is based in whole or in part.

(10) If the Governor files an amended suspension order, the attention of the Senate, the committee, or the Special Master shall be directed at the amended suspension order.

(11) Within sixty (60) days after the Senate has completed final action on the recommendation of the committee or Special Master, any party to the suspension matter may request the return, at that party's expense, of any exhibit, document, or other evidence introduced by that party. After the expiration of sixty (60) days from the date the Senate has completed final action, the committee or Special Master may dispose of such exhibits or other evidence.

## **12.8—Special Master; appointment**

The President may appoint and contract for the services of a Special Master to perform such duties and make such reports in relation to suspensions and removals as he or she shall prescribe.

## **12.9—Special Master; floor privilege**

With consent of the President, the Special Master may have the privilege of the Senate floor to present and explain the report and answer questions as to the law and facts involved.

## **12.10—Issuance of subpoenas and process**

The committee and the Special Master shall each have the authority to request the issuance of subpoenas, subpoenas duces tecum, and other necessary process under Rule 2.2. The committee chair and the Special Master may each administer all oaths and affirmations in the manner pre-

scribed by law to witnesses who shall appear to testify on matters pending before the committee or Special Master.

### **12.11—Rule takes precedence**

In any situation where there is a direct conflict between the provisions of Rule Twelve (12) and part V of chapter 112, *Florida Statutes*, the Rule, derived from Article III, Section 4(a) of the *State Constitution*, shall take precedence.

Any bill on which no committee report is filed may be withdrawn from such committee and calendared on point of order. Every bill, joint resolution, resolution, and memorial referred to a standing subcommittee shall be reported to the standing committee at a time specified by the chair of the standing committee which shall not be beyond the time allowed herein.

During the last two (2) days of a special session the report shall be read only once. A conference committee report shall be made available to the membership two (2) hours prior to the beginning of debate of the report by the Senate.

(2) The report must be acted on as a whole, being adopted or rejected, and each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(3) Conference committees shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

In any event the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either House.

(5) When a bill or joint resolution is referred to a conference committee and the conferees on the part of the Senate report an inability to agree, no action of the Senate taken prior to such reference to a conference committee shall preclude further action on said measure as the Senate may determine.

(6) After Senate conferees have been appointed for thirty-six (36) hours and have failed to make a report, it is a motion of the highest privilege to move to discharge said Senate conferees and to appoint new conferees, or to instruct said Senate conferees.

A proposed amendment must:

1. Be related to the same subject as the original measure,

### **JOINT RULE ONE**

#### **LOBBYIST REGISTRATION AND REPORTING**

(As Amended March 2000)

#### **1.1—Those Required to Register; Exemptions; Committee Appearance Records**

(1) All lobbyists before the Florida Legislature must register with the Lobbyist Registration Office in the Division of Legislative Information Services of the Office of Legislative Services, referred to in Joint Rule One as the Lobbyist Registration Office. Registration is required for each principal represented.

(2) As used in this rule, unless the context otherwise requires:

(a) “Designated lobbyist” means the lobbyist who is appointed, by a principal represented by two or more lobbyists, to file expenditure reports that include lobbying expenditures made directly by the principal.

(b) “Legislative action” means introduction, sponsorship, testimony, debate, voting, or any other official action on any measure, resolution, amendment, nomination, appointment, or report of, or any matter which may be the subject of action by, either house of the Legislature or any committee thereof.

(c) “Lobby” or “lobbying” means influencing or attempting to influence legislative action or nonaction through oral or written communication or an attempt to obtain the goodwill of a member or employee of the Legislature.

(d) “Lobbyist” means a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying, or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity. An employee of the principal is not a “lobbyist” unless the employee is principally employed for governmental affairs. “Principally employed for governmental affairs” means that one of the principal or most significant responsibilities of the employee to the employer is overseeing the employer’s various relationships with government or representing the employer in its contacts with government. Any person employed by any executive, judicial, or quasi-judicial department of the state or any community college of the state who seeks to encourage the passage, defeat, or modification of any legislation by personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, is a lobbyist.

(e) “Payment” or “salary” means wages or any other consideration provided in exchange for services, but does not include reimbursement for expenses.

(f) “Principal” means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; the individual members of the association are not principals merely because of their membership in the association.

(3) For purposes of this rule, the terms “lobby” and “lobbying” do not include any of the following:

(a) Response to an inquiry for information made by any member, committee, or staff of the Legislature.

(b) An appearance in response to a legislative subpoena.

(c) Advice or services that arise out of a contractual obligation with the Legislature, a member, a committee, any staff, or any legislative entity to render the advice or services where such obligation is fulfilled through the use of public funds.

(d) Representation of a client before the House of Representatives or the Senate, or any member or committee thereof, when the client is subject to disciplinary action by the House of Representatives or the Senate, or any member or committee thereof.

(4) For purposes of registration and reporting, the term “lobbyist” does not include any of the following:

(a) A member of the Legislature.

(b) A person who is employed by the Legislature.

(c) A judge who is acting in that judge’s official capacity.

(d) A person who is a state officer holding elective office or an officer of a political subdivision of the state holding elective office and who is acting in that officer’s official capacity.

(e) A person who appears as a witness or for the purpose of providing information at the written request of the chair of a committee, subcommittee, or legislative delegation.

(f) A person employed by any executive, judicial, or quasi-judicial department of the state or community college of the state who makes a personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, while that person is on approved leave or outside normal working hours, and who does not otherwise meet the definition of lobbyist.

(5) When a person, whether or not the person is registered as a lobbyist, appears before a committee of the Legislature, that person must submit a Committee Appearance Record on a form to be provided by the respective house.

## **1.2—Method of Registration**

(1) Each person who is required to register under Joint Senate and House Rule 1.1 must register on forms furnished by the Lobbyist Registration Office, on which that person must state, under oath, that person's full legal name, driver's license number, business address, and phone number, the name and business address of each principal that person represents, the areas of that person's legislative interest, and the extent of any direct business association or partnership that person has with any member of the Legislature. The Lobbyist Registration Office or its designee is authorized to acknowledge the oath of any person who registers in person. Any changes to the information provided in the registration form must be reported to the Lobbyist Registration Office in writing within 15 days on forms furnished by the Lobbyist Registration Office.

(2) Any person required to register must do so with respect to each principal prior to commencement of lobbying on behalf of that principal. At the time of registration, the registrant shall provide a statement signed by the principal or principal's representative that the registrant is authorized to represent the principal. Any person required to register must renew the registration annually, in accordance with Joint Senate and House Rule 1.3.

(3) If a principal is represented by two or more lobbyists, the first lobbyist who registers to represent that principal shall be the designated lobbyist. The principal may change its designated lobbyist at any time in writing on forms furnished by the Lobbyist Registration Office. Upon termination of the designated lobbyist's representation, the principal shall notify the Lobbyist Registration Office within 15 days, on forms furnished by the office, of the appointment of a new designated lobbyist.

(4) A lobbyist shall promptly send a notice to the Lobbyist Registration Office, on forms furnished by the Lobbyist Registration Office, cancelling the registration for a principal upon termination of the lobbyist's representation of that principal. A notice of cancellation takes effect the day it is received by the Lobbyist Registration Office. Notwithstanding this requirement, the Lobbyist Registration Office may remove the name of a lobbyist from the list of registered lobbyists if the principal notifies the Lobbyist Registration Office that the lobbyist is no longer authorized to represent that principal. Each lobbyist shall file an expenditure report for each period during any portion of which he or she was registered, and each principal shall ensure that an expenditure report is filed for each period during any portion of which the principal was represented by a registered lobbyist.

(5) The Lobbyist Registration Office shall publish on the first Monday of each regular session and weekly thereafter through the end of that session a compilation of the names of persons who have registered and the information contained in their registrations.

(6) The Lobbyist Registration Office shall retain all original documents submitted under this section.

(7) A person who is required to register under this rule, or who chooses to register, shall be considered a lobbyist of the Legislature for the purposes of sections 112.3148 and 112.3149, Florida Statutes, relating to the reporting of and the prohibited receipt of gifts and honoraria.

### **1.3—Registration Costs; Exemptions**

(1) To cover the costs incurred in administering this joint policy, each person who registers under Joint Senate and House Rule 1.1 must pay an annual registration fee to the Lobbyist Registration Office. The annual period runs from January 1 to December 31. These fees must be paid at the time of registration.

(2) The following persons are exempt from paying the fee, provided they are designated in writing by the agency head or person designated in this subsection:

(a) Two employees of each department of the executive branch created under chapter 20, Florida Statutes.

(b) Two employees of the Fish and Wildlife Conservation Commission.

(c) Two employees of the Executive Office of the Governor.

(d) Two employees of the Commission on Ethics.

(e) Two employees of the Florida Public Service Commission.

(f) Two employees of the judicial branch designated in writing by the Chief Justice of the Florida Supreme Court.

(3) The annual fee is up to \$50 per each house for a person to register to represent one principal and up to an additional \$10 per house for each additional principal that the person registers to represent. The amount of each fee shall be established annually by the President of the Senate and the Speaker of the House of Representatives. The fees set shall be adequate to ensure operation of the lobbyist registration and reporting operations of the Lobbyist Registration Office. The fees collected by the Lobbyist Registration Office under this joint policy shall be deposited in the State Treasury and credited to the Legislative Lobbyist Registration Trust Fund specifically to cover the costs incurred in administering this joint policy.

### **1.4—Periodic Reports Required**

(1) **REPORTING DATES.**—Each person who registers pursuant to Joint Senate and House Rule 1.2 must submit to the Lobbyist Registration Office, on forms provided by the Lobbyist Registration Office and for each reporting period required by this rule, a signed and certified statement listing all lobbying expenditures during the reporting period and the sources of funds for those expenditures as required in this rule. Reporting statements shall be filed no later than 45 days after the end of the reporting period. Only two reports are required each calendar year. The first report shall disclose expenditures made from January 1 through June 30. The second report shall disclose expenditures for July 1 through December 31. It is the intent of this rule that each reporting period be separate from the other reporting period and that each expenditure be reported just once.

In addition, any reporting statement may be filed by electronic means, when feasible.

(2) **TIMELINESS OF REPORTS.**—Reports shall be filed not later than 5 p.m. of the report due date. However, any report that is postmarked by the United States Postal Service no later than midnight of the due date shall be deemed to have been filed in a timely manner. A certificate of mailing obtained from and dated by the United States Postal Service at the time of the mailing, or a receipt from an established courier company which bears a date on or before the due date, shall be proof of mailing in a timely manner.

(3) **LOBBYIST'S EXPENDITURE REPORT.**—

(a) The Lobbyist's Expenditure Report shall include the name of the lobbyist and the name of the principal on whom the report is prepared. Expenditures for the reporting period shall be reported by the following categories: Food and Beverages; Entertainment; Research; Communications; Media Advertising; Publications; Travel; Lodging; Special Events; and Other. For each expenditure category, the report must identify the amount paid directly by the lobbyist, directly by the principal, initiated or expended by the lobbyist and paid for by the principal, or initiated or expended by the principal and paid for by the lobbyist. Forms shall be provided by the Lobbyist Registration Office.

(b) A lobbyist shall file a Lobbyist's Expenditure Report for each principal represented.

(c) When a principal has two or more lobbyists, the designated lobbyist will be responsible for filing a report that discloses the expenditures made directly by the principal and the expenditures of the designated lobbyist on behalf of the principal. The designated lobbyist is responsible for making a good faith effort to obtain the figures reported as lobbying expenditures made by the principal.

(d) When there are multiple lobbyists, only the designated lobbyist is to report expenditures made directly by the principal. When there are multiple lobbyists, only unduplicated amounts should be reported for expenditures initiated or expended by the lobbyist and paid for by the principal.

(e) The principal is responsible for the accuracy of the figures submitted to the lobbyist for reporting, and the lobbyist is responsible for the accuracy of the figures reported as lobbying expenditures made by that lobbyist. The principal shall sign the expenditure report submitted by the principal's sole or designated lobbyist.

(4) **EXPENDITURES.**—

(a) **Definitions.**—

1. "Expenditure" means a payment, distribution, loan, advance, reimbursement, deposit, or anything of value made or controlled, directly or indirectly, by a lobbyist or principal for the purpose of lobbying.

Expenditures shall be accounted for and reported on an accrual accounting basis.

2. “Accrual accounting basis” means the method of accounting that recognizes expenses during the period in which they are incurred regardless of when they are actually paid.

(b) Goodwill expenditures.—An expenditure shall be considered to have been intended to be for the purpose of engendering goodwill if it is a gift, an entertainment, any food or beverage, or any other item or service of similar personal benefit to a member or an employee of the Legislature, unless the member or employee is a relative of the lobbyist. A relative is an individual who is related to the member or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, grandparent, great grandparent, grandchild, great grandchild, step grandparent, step great grandparent, step grandchild, or step great grandchild; any person who is engaged to be married to the member or employee or who otherwise holds himself or herself out as or is generally known as the person whom the member or employee intends to marry or with whom the member or employee intends to form a household; or any other natural person having the same legal residence as the member or employee.

(c) Expenditure categories.—Each reporting individual shall make a good faith effort to report an expenditure and to report it in the appropriate category. If an expenditure fits in two or more categories, it shall be reported in the category to which the expense primarily relates. When an expenditure is not within any defined category, it should be reported in the “Other” category. The categories of expenditures used in this rule are as follows:

1.a. “Communications” means dissemination of information, including, but not limited to, by means of the following:

I. Audio-visual materials; and

II. Signs, placards, banners, buttons, promotional materials, and other display materials;

together with any associated production services.

b. This category does not include media advertising, publications, or research.

2. “Entertainment” means amusement or recreation, including, but not limited to, sporting, hunting, fishing, theatrical, artistic, cultural, and musical activities or events.

3. “Food and Beverages” means meals, snacks or other edible substances, or liquids for drinking, including services associated therewith.

4. “Lodging” means sleeping or living accommodations for an individual for one or more nights.

5. “Media Advertising” means newspaper and magazine advertising, radio and television advertising, and outdoor advertising, including production services and copyrighting services.

6. “Other” means any item or service that is not included within one of the specified categories, but does not include any item or service that is not required by law to be reported.

7. “Publications” means mass-produced, printed materials, including, but not limited to, magazines, newsletters, brochures, or pamphlets, which expressly encourage persons to communicate with members or employees of the Legislature to influence the official actions of members or employees of the Legislature or which are designed to communicate with members or employees of the Legislature.

8. “Research” means procurement of information relating to a specific issue, regardless of the form or medium in which that information is provided, including, but not limited to, surveys, bill-tracking services, information services, periodicals, and consultants or consultant services to gather data or statistics.

9. “Special Events” means large-scale occurrences, including, but not limited to, receptions, banquets, dinners, or legislative days, to which more than 250 persons are invited and for which the expenditures associated with hosting the occurrence are negotiated with a catering service or facility at a single, set price or which include multiple expenditure categories.

10. “Travel” means transporting an individual from one place to another, regardless of the means used.

(d) Items that are not expenditures.—The term “expenditure” does not include:

1. Contributions or expenditures reported pursuant to chapter 106, Florida Statutes; campaign-related personal services provided without compensation by individuals volunteering their time; or any other contribution or expenditure by a political party.

2. A lobbyist’s or principal’s salary, office expenses, and personal expenses for lodging, meals, and travel. If the principal is a firm, corporation, association, or person, other than a natural person, the office expenses of the entity and the salaries of the officers of the entity, as well as expenses for their lodging, meals, and travel, are not lobbying expenditures. Office expenses include, but are not limited to, payment or obligation for rent or mortgage, utilities, postage, telephone service, employees’ salaries, furniture, copies, computers, software, paper supplies, and custodial or maintenance services. Communications, publications, and research are office expenses if performed or produced by the lobbyist or principal or their employees. If those functions are performed by independent contractors, other than the lobbyist or principal or an affiliate controlled by the principal, they are expenditures reportable under the appropriate expenditure category.

3. If an expense is incurred for a nonlobbying business purpose and the product of that expense is later used for a lobbying purpose, a reportable expenditure is not created.

(e) Valuation of expenditures.—

1. In calculating the amount of aggregate expenditures, a lobbyist or principal may, prior to prorating, round each entry up or down to the nearest \$5. A record is not required to be maintained for any amount that rounds to zero.

2. The amount to be reported for an expenditure shall be determined using the actual cost to the lobbyist or principal or other person making the payment on behalf of the lobbyist or principal, less any compensation received by such lobbyist or principal in payment for the object of the expenditure. If a lobbyist or principal makes a contribution to an expenditure by another lobbyist or principal, the person making the contribution shall report the amount of the contribution as an expenditure, and the person receiving the contribution shall subtract the value of the contribution from the expenditure to be reported by that person.

3. When a lobbyist has multiple principals, expenditures made for the purpose of engendering goodwill that are not attributable to one principal may be prorated among the lobbyist's principals or may be attributed to one principal.

4. When a lobbyist has multiple principals, expenditures for research or other expenditures that may benefit several principals may be reported to the principal for whom the research was done or other expenditures incurred or prorated to those principals that may benefit from the research or other expenditures.

5. The amount reported as an expenditure shall not include the amount of any additional expenses that are required as a condition precedent to eligibility to make an expenditure if the amount expended for the condition precedent is primarily intended to be for a purpose other than lobbying or if it is paid to a charitable organization. If the amount expended for the condition precedent is primarily intended to be for a lobbying purpose and is not paid to a charitable organization, the total amount of the expenditure shall be reported as a lobbying expenditure. Initiation fees, membership fees, and booster fees are examples, although not exclusive examples, of additional expenses that are regularly required as conditions precedent for eligibility to make other expenditures.

6. A person providing transportation in a private automobile shall be considered to be making an expenditure at the rate of 29 cents per mile, and the amount of an expenditure made for transportation provided in other private conveyances shall be determined in accordance with the provisions of section 112.3148(7), Florida Statutes.

7. A person providing lodging in a private residence shall be considered to be making an expenditure of \$29 per night.

8. Expenditures made for more than one person may be attributed, on a pro rata basis, among all of the persons for whom the expenditure is made.

(5) **AGGREGATION OF EXPENDITURE FIGURES.**—For each reporting period, the Lobbyist Registration Office shall aggregate the expenditures reported by all of the lobbyists for a principal represented by more than one lobbyist. Following the last report for each calendar year, the Lobbyist Registration Office shall provide a total of expenditures reported as spent by and on behalf of each principal for that calendar year.

### **1.5—Penalties for Late Filing**

(1) Upon determining that a report is late, the person designated to review the timeliness of reports shall immediately notify the lobbyist as to the failure to timely file the report and that a fine is being assessed for each late day. The fine shall be \$50 per day per report for each late day, not to exceed \$5,000 per report.

(2) Upon receipt of the report, the person designated to review the timeliness of reports shall determine the amount of the fine due based upon the earliest of the following:

(a) When a report is actually received by the lobbyist registration and reporting office;

(b) When the report is postmarked;

(c) When the certificate of mailing is dated; or

(d) When the receipt from an established courier company is dated.

(3) Such fine shall be paid within 30 days after the notice of payment due is transmitted by the Lobbyist Registration Office, unless appeal is made to the Lobbyist Registration Office. The moneys shall be deposited into the Legislative Lobbyist Registration Trust Fund.

(4) A fine shall not be assessed against a lobbyist the first time any reports for which the lobbyist is responsible are not timely filed. However, to receive this one-time fine waiver, all reports for which the lobbyist is responsible must be filed within 30 days after notice that any reports have not been timely filed is transmitted by the Lobbyist Registration Office. A fine shall be assessed for any subsequent late-filed reports.

(5) A lobbyist, a lobbyist's legal representative, or the principal of a lobbyist may request that the filing of an expenditure report be waived upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services, who shall make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The President of the Senate and the Speaker of the House of Representatives may grant or deny the request. The registration of a lobbyist who fails to timely pay a fine is automatically suspended until the fine is paid or waived.

(6) The person designated to review the timeliness of reports shall notify the director of the division of the failure of a lobbyist to file a report after notice or of the failure of a lobbyist to pay the fine imposed.

### **1.6—Appeal of Fines; Hearings; Unusual Circumstances**

(1) A lobbyist wishing to appeal or dispute a fine imposed in accordance with Joint Senate and House Rule 1.5 shall file with the Lobbyist Registration Office a notice of appeal within 30 days after the notice of payment due is transmitted by the Lobbyist Registration Office, setting out with specificity the unusual circumstances surrounding the failure to file on the designated due date. A request for a hearing on the matter before the General Counsel of the Office of Legislative Services must be made within the same 30-day period. The notice of appeal may be accompanied by any documentation or evidence supporting the claim. Failure to timely file a notice of appeal as described in this subsection shall constitute a waiver of the right to appeal or to dispute a fine.

(2) The President of the Senate and the Speaker of the House of Representatives may waive the fine in whole or in part for good cause shown based on the unusual circumstances presented by the lobbyist.

(3) The term “unusual circumstances” for the purposes of this rule means uncommon, rare, or sudden events over which the person has no control and which directly result in the failure to meet the filing requirements.

(4) The Department of Banking and Finance shall collect any fine that is not timely paid.

### **1.7—Questions Regarding Registration**

(1) A person may request in writing an informal opinion from the general counsel of the Office of Legislative Services as to the application of this rule to a specific situation. The general counsel shall issue the opinion within 10 days after receiving the request. The informal opinion may be relied upon by the person who requested the informal opinion. A copy of each informal opinion which is issued shall be provided to the presiding officer of each house. The committees designated under section 11.045(4), Florida Statutes, may revise any informal opinion rendered by the general counsel through an advisory opinion to the person who requested the informal opinion. The advisory opinion shall supersede the informal opinion as of the date the advisory opinion is issued.

(2) Persons in doubt about the applicability or interpretation of this rule may submit in writing the facts for an advisory opinion to the committee of either house designated pursuant to section 11.045(4), Florida Statutes, and may appear in person before the committee in accordance with section 11.045(4), Florida Statutes.

## **1.8—Open Records**

All of the lobbyist registration and expenditure reports received by the Lobbyist Registration Office shall be available for public inspection and for duplication at reasonable cost.

## **1.9—Records Retention and Inspection**

Each lobbyist and each principal shall preserve for a period of 4 years all accounts, bills, receipts, computer records, books, papers, and other documents and records necessary to substantiate lobbying expenditures. Upon receipt of a complaint based upon the personal knowledge of the complainant made pursuant to the Senate Rules or Rules of the House of Representatives, any such documents and records may be inspected when authorized by the President of the Senate or the Speaker of the House of Representatives, as applicable. The person authorized to perform the inspection shall be designated in writing and shall be a member of The Florida Bar or a certified public accountant licensed in Florida. Any information obtained by such an inspection may only be used for purposes authorized by law, this rule, Senate Rules, or Rules of the House of Representatives, which purposes may include the imposition of sanctions against a person subject to this rule or Senate Rules or the Rules of the House of Representatives. Any employee who uses that information for an unauthorized purpose is subject to discipline. Any member who uses that information for an unauthorized purpose is subject to discipline under the applicable rules of each house. The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

(2) If a bill is returned to the house in which the bill originated and the originating house does not concur in all the amendments or adds additional amendments, no further action shall be taken on the bill by the nonoriginating house, and a conference committee shall be established by operation of this rule to consider the bill.

(3) If a bill is referred to a conference committee by operation of this rule, a 72-hour public review period shall be provided prior to a vote being taken on the conference committee report by either house.

A member's copy shall be furnished to the member's desk in the appropriate chamber. The Clerk of the House shall be responsible for furnishing copies under this rule for House bills, Senate bills as amended by the House, and conference committee reports on House bills.

(5) The 72-hour public review period shall begin to run upon completion of the furnishing of copies required to be provided herein. The Speaker of the House and the President of the Senate, as appropriate, shall be informed of the completion time and such time shall be announced on the floor prior to vote on final passage in each house and shall be entered in the journal of each house. Saturdays, Sundays, and holidays shall be included in the computation under this rule.

## **2.2—General Appropriations Bill; Definition**

For the purposes of Joint Rule 2, the term “general appropriations bill” means a bill which provides for the salaries of public officers and other current expenses of the state and contains no subject other than appropriations. A bill which contains appropriations which are incidental and necessary solely to implement a substantive law is not included within this term.

**CONSTITUTION**  
**OF THE**  
**STATE OF FLORIDA**

**AS REVISED IN 1968 AND SUBSEQUENTLY AMENDED**

---

*The Constitution of the State of Florida as revised in 1968 consisted of certain revised articles as proposed by three joint resolutions which were adopted during the special session of June 24-July 3, 1968, and ratified by the electorate on November 5, 1968, together with one article carried forward from the Constitution of 1885, as amended. The articles proposed in House Joint Resolution 1-2X constituted the entire revised constitution with the exception of Articles V, VI, and VIII. Senate Joint Resolution 4-2X proposed Article VI, relating to suffrage and elections. Senate Joint Resolution 5-2X proposed a new Article VIII, relating to local government. Article V, relating to the judiciary, was carried forward from the Constitution of 1885, as amended.*

Sections composing the 1968 revision have no history notes. Subsequent changes are indicated by notes appended to the affected sections. The indexes appearing at the beginning of each article, notes appearing at the end of various sections, and section and subsection headings are added editorially and are not to be considered as part of the constitution.

## PREAMBLE

We, the people of the State of Florida, being grateful to Almighty God for our constitutional liberty, in order to secure its benefits, perfect our government, insure domestic tranquility, maintain public order, and guarantee equal civil and political rights to all, do ordain and establish this constitution.

This right shall be construed in conformity with the 4th Amendment to the United States Constitution, as interpreted by the United States Supreme Court. Articles or information obtained in violation of this right shall not be admissible in evidence if such articles or information would be inadmissible under decisions of the United States Supreme Court construing the 4th Amendment to the United States Constitution.

A child found delinquent shall be disciplined as provided by law.

**SECTION 16. Rights of accused and of victims.**—

If the county is not known, the indictment or information may charge venue in two or more counties conjunctively and proof that the crime was committed in that area shall be sufficient; but before pleading the accused may elect in which of those counties the trial will take place. Venue for prosecution of crimes committed beyond the boundaries of the state shall be fixed by law.

(b) Victims of crime or their lawful representatives, including the next of kin of homicide victims, are entitled to the right to be informed, to be present, and to be heard when relevant, at all crucial stages of criminal proceedings, to the extent that these rights do not interfere with the constitutional rights of the accused.

ed in the Eighth Amendment to the United States Constitution. Any method of execution shall be allowed, unless prohibited by the United States Constitution. Methods of execution may be designated by the legislature, and a change in any method of execution may be applied retroactively. A sentence of death shall not be reduced on the basis that a method of execution is invalid. In any case in which an execution method is declared invalid, the death sentence shall remain in force until the sentence can be lawfully executed by any valid method. This section shall apply retroactively.

**History.**—Am. H.J.R. 3505, 1998; adopted 1998; Am. H.J.R. 951, 2001; adopted 2002.

**SECTION 23. Right of privacy.**—Every natural person has the right to be let alone and free from governmental intrusion into the person's private life except as otherwise provided herein. This section shall not be construed to limit the public's right of access to public records and meetings as provided by law.

**History.**—Added, C.S. for H.J.R. 387, 1980; adopted 1980; Am. proposed by Constitution Revision Commission, Revision No. 13, 1998, filed with the Secretary of State May 5, 1998; adopted 1998.

**SECTION 24. Access to public records and meetings.**—

(a) Every person has the right to inspect or copy any public record made or received in connection with the official business of any public body, officer, or employee of the state, or persons acting on their behalf, except with respect to records exempted pursuant to this section or specifically made confidential by this Constitution. This section specifically includes the legislative, executive, and judicial branches of government and each agency or department created

thereunder; counties, municipalities, and districts; and each constitutional officer, board, and commission, or entity created pursuant to law or this Constitution.

(b) All meetings of any collegial public body of the executive branch of state government or of any collegial public body of a county, municipality, school district, or special district, at which official acts are to be taken or at which public business of such body is to be transacted or discussed, shall be open and noticed to the public and meetings of the legislature shall be open and noticed as provided in Article III, Section 4(e), except with respect to meetings exempted pursuant to this section or specifically closed by this Constitution.

(c) This section shall be self-executing. The legislature, however, may provide by general law passed by a two-thirds vote of each house for the exemption of records from the requirements of subsection (a) and the exemption of meetings from the requirements of subsection (b), provided that such law shall state with specificity the public necessity justifying the exemption and shall be no broader than necessary to accomplish the stated purpose of the law. The legislature shall enact laws governing the enforcement of this section, including the maintenance, control, destruction, disposal, and disposition of records made public by this section, except that each house of the legislature may adopt rules governing the enforcement of this section in relation to records of the legislative branch. Laws enacted pursuant to this subsection shall contain only exemptions from the requirements of subsections (a) or (b) and provisions governing the enforcement of this section, and shall relate to one subject.

(d) All laws that are in effect on July 1, 1993 that limit public access to records or meetings shall remain in force, and such laws apply to records of the legislative and judicial branches, until they are repealed. Rules of court that are in effect on the date of adoption of this section that limit access to records shall remain in effect until they are repealed.

**History.**—Added, C.S. for C.S. for H.J.R.'s 1727, 863, 2035, 1992; adopted 1992; Am. S.J.R. 1284, 2002; adopted 2002.

**'SECTION 25. Taxpayers' Bill of Rights.**—By general law the legislature shall prescribe and adopt a Taxpayers' Bill of Rights that, in clear and concise language, sets forth taxpayers' rights and responsibilities and government's responsibilities to deal fairly with taxpayers under the laws of this state. This section shall be effective July 1, 1993.

**History.**—Proposed by Taxation and Budget Reform Commission, Revision No. 2, 1992, filed with the Secretary of State May 7, 1992; adopted 1992.

**Note.**—This section, originally designated section 24 by Revision No. 2 of the Taxation and Budget Reform Commission, 1992, was redesignated section 25 by the editors in order to avoid confusion with section 24 as contained in H.J.R.'s 1727, 863, 2035, 1992.

**SECTION 26. Claimant's right to fair compensation.**—

(a) Article I, Section 26 is created to read "Claimant's right to fair compensation." In any medical liability claim involving a contingency fee, the claimant is entitled to receive no less than 70% of the first

\$250,000.00 in all damages received by the claimant, exclusive of reasonable and customary costs, whether received by judgment, settlement, or otherwise, and regardless of the number of defendants. The claimant is entitled to 90% of all damages in excess of \$250,000.00, exclusive of reasonable and customary costs and regardless of the number of defendants. This provision is self-executing and does not require implementing legislation.

(b) This Amendment shall take effect on the day following approval by the voters.

(2) The election of county court judges shall be preserved notwithstanding the provisions of subsection (a) unless a majority of those voting in the jurisdiction of that county approves a local option to select county judges by merit selection and retention rather than by election. (3)a. A vote to exercise a local option to select circuit court judges and county court judges by merit selection and retention rather than by election shall be held in each circuit and county at the general election in the year 2000. If a vote to exercise this local option fails in a vote of the electors, such option shall not again be put to a vote of the electors of that jurisdiction until the expiration of at least two years.

b. After the year 2000, a circuit may initiate the local option for merit selection and retention or the election of circuit judges, whichever is applicable, by filing with the custodian of state records a petition signed by the number of electors equal to at least ten percent of the votes cast in the circuit in the last preceding election in which presidential electors were chosen.

c. After the year 2000, a county may initiate the local option for merit selection and retention or the election of county court judges, whichever is applicable, by filing with the supervisor of elections a petition signed by the number of electors equal to at least ten percent of the votes cast in the county in the last preceding election in which presidential electors were chosen. (1) There shall be a judicial qualifications commission vested with jurisdiction to investigate and recommend to the Supreme Court of Florida the removal from office of any justice or judge whose conduct, during term of office or otherwise occurring on or after November 1, 1966, (without regard to the effective date of this section) demonstrates a present unfitness to hold office, and to investigate and recommend the discipline of a justice or judge whose conduct, during term of office or otherwise occurring on or after November 1, 1966 (without regard to the effective date of this section), warrants such discipline. For purposes of this section, discipline is defined as any or all of the following: reprimand, fine, suspension with or without pay, or lawyer discipline. The commission shall have jurisdiction over justices and judges regarding allegations that misconduct occurred before or during service as a justice or judge if a complaint is made no later than one year following service as a justice or

judge. The commission shall have jurisdiction regarding allegations of incapacity during service as a justice or judge. The commission shall be composed of:

a. Two judges of district courts of appeal selected by the judges of those courts, two circuit judges selected by the judges of the circuit courts and two judges of county courts selected by the judges of those courts;

b. Four electors who reside in the state, who are members of the bar of Florida, and who shall be chosen by the governing body of the bar of Florida; and

c. Five electors who reside in the state, who have never held judicial office or been members of the bar of Florida, and who shall be appointed by the governor.

(2) The members of the judicial qualifications commission shall serve staggered terms, not to exceed six years, as prescribed by general law. No member of the commission except a judge shall be eligible for state judicial office while acting as a member of the commission and for a period of two years thereafter. No member of the commission shall hold office in a political party or participate in any campaign for judicial office or hold public office; provided that a judge may campaign for judicial office and hold that office. The commission shall elect one of its members as its chairperson.

(3) Members of the judicial qualifications commission not subject to impeachment shall be subject to removal from the commission pursuant to the provisions of Article IV, Section 7, Florida Constitution.

(4) The commission shall adopt rules regulating its proceedings, the filling of vacancies by the appointing authorities, the disqualification of members, the rotation of members between the panels, and the temporary replacement of disqualified or incapacitated members. The commission's rules, or any part thereof, may be repealed by general law enacted by a majority vote of the membership of each house of the legislature, or by the supreme court, five justices concurring. The commission shall have power to issue subpoenas. Until formal charges against a justice or judge are filed by the investigative panel with the clerk of the supreme court of Florida all proceedings by or before the commission shall be confidential; provided, however, upon a finding of probable cause and the filing by the investigative panel with said clerk of such formal charges against a justice or judge such charges and all further proceedings before the commission shall be public.

(5) The commission shall have access to all information from all executive, legislative and judicial agencies, including grand juries, subject to the rules of the commission. The hearing panel is vested with the authority to receive and hear formal charges from the investigative panel and upon a two-thirds vote of the panel recommend to the supreme court the removal of a justice or judge or the involuntary retirement of a justice or judge for any permanent disability that seriously interferes with the performance of judicial duties. Upon a simple majority vote of the membership of the hearing panel, the panel may recommend to the supreme court that the justice or judge be subject to appropriate discipline.

(c) **SUPREME COURT.**—The supreme court shall receive recommendations from the judicial qualifications commission's hearing panel.

(1) The supreme court may accept, reject, or modify in whole or in part the findings, conclusions, and recommendations of the commission and it may order that the justice or judge be subjected to appropriate discipline, or be removed from office with termination of compensation for willful or persistent failure to perform judicial duties or for other conduct unbecoming a member of the judiciary demonstrating a present unfitness to hold office, or be involuntarily retired for any permanent disability that seriously interferes with the performance of judicial duties. Malafides, scienter or moral turpitude on the part of a justice or judge shall not be required for removal from office of a justice or judge whose conduct demonstrates a present unfitness to hold office. After the filing of a formal proceeding and upon request of the investigative panel, the supreme court may suspend the justice or judge from office, with or without compensation, pending final determination of the inquiry.

(2) The supreme court may award costs to the prevailing party.

(d) The power of removal conferred by this section shall be both alternative and cumulative to the power of impeachment.

For purposes of determining seniority of such circuit judges in the event there be judges of equal tenure in judicial office as circuit judge the judge or judges from the lower numbered circuit or circuits shall be deemed senior. In the event any such chief circuit judge is under investigation by the judicial qualifications commission or is otherwise disqualified or unable to serve on the panel, the next most senior chief circuit judge or judges shall

18. Laws requiring counties or municipalities to spend funds or limiting their ability to raise revenue or receive state tax revenue.

**SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.**—

(a) No tax shall be levied except in pursuance of law. No state ad valorem taxes shall be levied upon real estate or tangible personal property. All other

forms of taxation shall be preempted to the state except as provided by general law.

(b) Motor vehicles, boats, airplanes, trailers, trailer coaches and mobile homes, as defined by law, shall be subject to a license tax for their operation in the amounts and for the purposes prescribed by law, but shall not be subject to ad valorem taxes.

(c) No money shall be drawn from the treasury except in pursuance of appropriation made by law.

(d) Provision shall be made by law for raising sufficient revenue to defray the expenses of the state for each fiscal period.

(e) Except as provided herein, state revenues collected for any fiscal year shall be limited to state revenues allowed under this subsection for the prior fiscal year plus an adjustment for growth. As used in this subsection, "growth" means an amount equal to the average annual rate of growth in Florida personal income over the most recent twenty quarters times the state revenues allowed under this subsection for the prior fiscal year. For the 1995-1996 fiscal year, the state revenues allowed under this subsection for the prior fiscal year shall equal the state revenues collected for the 1994-1995 fiscal year. Florida personal income shall be determined by the legislature, from information available from the United States Department of Commerce or its successor on the first day of February prior to the beginning of the fiscal year. State revenues collected for any fiscal year in excess of this limitation shall be transferred to the budget stabilization fund until the fund reaches the maximum balance specified in Section 19(g) of Article III, and thereafter shall be refunded to taxpayers as provided by general law. State revenues allowed under this subsection for any fiscal year may be increased by a two-thirds vote of the membership of each house of the legislature in a separate bill that contains no other subject and that sets forth the dollar amount by which the state revenues allowed will be increased. The vote may not be taken less than seventy-two hours after the third reading of the bill. For purposes of this subsection, "state revenues" means taxes, fees, licenses, and charges for services imposed by the legislature on individuals, businesses, or agencies outside state government. However, "state revenues" does not include: revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds by the state; revenues that are used to provide matching funds for the federal Medicaid program with the exception of the revenues used to support the Public Medical Assistance Trust Fund or its successor program and with the exception of state matching funds used to fund elective expansions made after July 1, 1994; proceeds from the state lottery returned as prizes; receipts of the Florida Hurricane Catastrophe Fund; balances carried forward from prior fiscal years; taxes, licenses, fees, and charges for services imposed by local, regional, or school district governing bodies; or revenue from taxes, licenses, fees, and charges for services required to be imposed by any amendment or revision

to this constitution after July 1, 1994. An adjustment to the revenue limitation shall be made by general law to reflect the fiscal impact of transfers of responsibility for the funding of governmental functions between the state and other levels of government. The legislature shall, by general law, prescribe procedures necessary to administer this subsection.

**History.**—Am. H.J.R. 2053, 1994; adopted 1994.

**SECTION 2. Taxes; rate.**—All ad valorem taxation shall be at a uniform rate within each taxing unit, except the taxes on intangible personal property may be at different rates but shall never exceed two mills on the dollar of assessed value; provided, as to any obligations secured by mortgage, deed of trust, or other lien on real estate wherever located, an intangible tax of not more than two mills on the dollar may be levied by law to be in lieu of all other intangible assessments on such obligations.

**SECTION 3. Taxes; exemptions.—**

(a) All property owned by a municipality and used exclusively by it for municipal or public purposes shall be exempt from taxation. A municipality, owning property outside the municipality, may be required by general law to make payment to the taxing unit in which the property is located. Such portions of property as are used predominantly for educational, literary, scientific, religious or charitable purposes may be exempted by general law from taxation.

(b) There shall be exempt from taxation, cumulatively, to every head of a family residing in this state, household goods and personal effects to the value fixed by general law, not less than one thousand dollars, and to every widow or widower or person who is blind or totally and permanently disabled, property to the value fixed by general law not less than five hundred dollars.

(c) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant community and economic development ad valorem tax exemptions to new businesses and expansions of existing businesses, as defined by general law. Such an exemption may be granted only by ordinance of the county or municipality, and only after the electors of the county or municipality voting on such question in a referendum authorize the county or municipality to adopt such ordinances. An exemption so granted shall apply to improvements to real property made by or for the use of a new business and improvements to real property related to the expansion of an existing business and shall also apply to tangible personal property of such new business and tangible personal property related to the expansion of an existing business. The amount or limits of the amount of such exemption shall be specified by general law. The period of time for which such exemption may be granted to a new business or expansion of an existing business shall be determined by general law. The authority to grant such exemption shall expire ten years from the date of approval by the electors of the county or municipality,

and may be renewable by referendum as provided by general law.

<sup>1</sup>(d) By general law and subject to conditions specified therein, there may be granted an ad valorem tax exemption to a renewable energy source device and to real property on which such device is installed and operated, to the value fixed by general law not to exceed the original cost of the device, and for the period of time fixed by general law not to exceed ten years.

(e) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant historic preservation ad valorem tax exemptions to owners of historic properties. This exemption may be granted only by ordinance of the county or municipality. The amount or limits of the amount of this exemption and the requirements for eligible properties must be specified by general law. The period of time for which this exemption may be granted to a property owner shall be determined by general law.

**History.**—Am. S.J.R.'s 9-E, 15-E, 1980; adopted 1980; Am. C.S. for S.J.R.'s 318, 356, 1988; adopted 1988; Am. S.J.R. 152, 1992; adopted 1992; Am. H.J.R. 969, 1997; adopted 1998.

**Note.**—This subsection, originally designated (c) by S.J.R. 15-E, 1980, was redesignated (d) by the editors in order to avoid confusion with subsection (c) as contained in S.J.R. 9-E, 1980. cf.—s. 19, Art. XII Schedule.

**SECTION 4. Taxation; assessments.**—By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(c) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided herein.

(1) Assessments subject to this provision shall be changed annually on January 1st of each year; but those changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be

assessed at just value as of January 1 of the following year. Thereafter, the homestead shall be assessed as provided herein.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead. That assessment shall only change as provided herein.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided herein.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

(d) The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

(e) A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner's spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

(1) The increase in assessed value resulting from construction or reconstruction of the property.

(2) Twenty percent of the total assessed value of the property as improved.

**History.**—Am. S.J.R. 12-E, 1980; adopted 1980; Am. H.J.R. 214, 1987; adopted 1988; Am. by Initiative Petition filed with the Secretary of State August 3, 1992; adopted 1992; Am. H.J.R. 969, 1997; adopted 1998; Am. proposed by Constitution Revision Commission, Revision No. 13, 1998, filed with the Secretary of State May 5, 1998; adopted 1998; Am. #### **SECTION 5. Estate, inheritance and income taxes.—**

(a) **NATURAL PERSONS.** No tax upon estates or inheritances or upon the income of natural persons who are residents or citizens of the state shall be levied by the state, or under its authority, in excess of the aggregate of amounts which may be allowed to be credited upon or deducted from any similar tax levied by the United States or any state.

(b) **OTHERS.** No tax upon the income of residents and citizens other than natural persons shall be levied by the state, or under its authority, in excess of 5% of net income, as defined by law, or at such greater rate as is authorized by a three-fifths ( $\frac{3}{5}$ ) vote of the membership of each house of the legislature or as will provide for the state the maximum amount which may be allowed to be credited against income taxes levied by the United States and other states. There shall be exempt from taxation not less than five thousand dollars (\$5,000) of the excess of net income subject to tax over the maximum amount allowed to be credited against income taxes levied by the United States and other states.

(c) **EFFECTIVE DATE.** This section shall become effective immediately upon approval by the electors of Florida.

**History.**—Am. H.J.R. 7-B, 1971; adopted 1971.

#### **SECTION 6. Homestead exemptions.—**

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the exemption shall be increased to a total of twenty-five thousand dollars of the assessed value of the real estate for each school district levy. By general law and subject to conditions specified therein, the exemption for all other levies may be increased up to an amount not exceeding ten thousand dollars of the assessed value of the real estate if the owner has attained age sixty-five or is totally and permanently disabled and if the owner is not entitled to the exemption provided in subsection (d).

(d) By general law and subject to conditions specified therein, the exemption shall be increased to a total of the following amounts of assessed value of real estate for each levy other than those of school districts: fifteen thousand dollars with respect to 1980 assessments; twenty thousand dollars with respect to 1981 assessments; twenty-five thousand dollars with respect to assessments for 1982 and each year thereafter. However, such increase shall not apply with

respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This subsection shall stand repealed on the effective date of any amendment to section 4 which provides for the assessment of homestead property at a specified percentage of its just value.

(e) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

(f) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant an additional homestead tax exemption not exceeding twenty-five thousand dollars to any person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner and who has attained age sixty-five and whose household income, as defined by general law, does not exceed twenty thousand dollars. The general law must allow counties and municipalities to grant this additional exemption, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

**History.**—Am. S.J.R. 1-B, 1979; adopted 1980; Am. S.J.R. 4-E, 1980; adopted 1980; Am. H.J.R. 3151, 1998; adopted 1998; Am. proposed by Constitution Revision Commission, Revision No. 13, 1998, filed with the Secretary of State May 5, 1998; adopted 1998.

#### **SECTION 9. Local taxes.**—

(a) Counties, school districts, and municipalities shall, and special districts may, be authorized by law to levy ad valorem taxes and may be authorized by general law to levy other taxes, for their respective purposes, except ad valorem taxes on intangible personal property and taxes prohibited by this constitution.

(b) Ad valorem taxes, exclusive of taxes levied for the payment of bonds and taxes levied for periods not longer than two years when authorized by vote of the electors who are the owners of freeholds therein not wholly exempt from taxation, shall not be levied in excess of the following millages upon the assessed

value of real estate and tangible personal property: for all county purposes, ten mills; for all municipal purposes, ten mills; for all school purposes, ten mills; for water management purposes for the northwest portion of the state lying west of the line between ranges two and three east, 0.05 mill; for water management purposes for the remaining portions of the state, 1.0 mill; and for all other special districts a millage authorized by law approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation. (a) the investment of public trust funds;  
(b) the investment of other public funds in obligations of, or insured by, the United States or any of its instrumentalities;

(c) the issuance and sale by any county, municipality, special district or other local governmental body of (1) revenue bonds to finance or refinance the cost of capital projects for airports or port facilities, or (2) revenue bonds to finance or refinance the cost of capital projects for industrial or manufacturing plants to the extent that the interest thereon is exempt from income taxes under the then existing laws of the United States, when, in either case, the revenue bonds are payable solely from revenue derived from the sale, operation or leasing of the projects. If any project so financed, or any part thereof, is occupied or operated by any private corporation, association, partnership or person pursuant to contract or lease with the issuing body, the property interest created by such contract or lease shall be subject to taxation to the same extent as other privately owned property.

(d) a municipality, county, special district, or agency of any of them, being a joint owner of, giving, or lending or using its taxing power or credit for the joint ownership, construction and operation of electrical energy generating or transmission facilities with any corporation, association, partnership or person.

#### **SECTION 11. State bonds; revenue bonds.**—

(a) State bonds pledging the full faith and credit of the state may be issued only to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, upon approval by a vote of the electors; provided state bonds issued pursuant to this subsection may be refunded without a vote of the electors at a lower net average interest cost rate. The total outstanding principal of state bonds issued pursuant to this subsection shall never exceed fifty percent of the total tax revenues of the state for the two preceding fiscal years,

excluding any tax revenues held in trust under the provisions of this constitution.

(b) Moneys sufficient to pay debt service on state bonds as the same becomes due shall be appropriated by law.

(c) Any state bonds pledging the full faith and credit of the state issued under this section or any other section of this constitution may be combined for the purposes of sale.

(d) Revenue bonds may be issued by the state or its agencies without a vote of the electors to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, and shall be payable solely from funds derived directly from sources other than state tax revenues.

(f) Each project, building, or facility to be financed or refinanced with revenue bonds issued under this section shall first be approved by the Legislature by an act relating to appropriations or by general law.

**History.**—Am. C.S. for C.S. for S.J.R. 612, 1984; adopted 1984; Am. proposed by Constitution Revision Commission, Revision No. 5, 1998, filed with the Secretary of State May 5, 1998; adopted 1998.

**SECTION 12. Local bonds.**—Counties, school districts, municipalities, special districts and local governmental bodies with taxing powers may issue bonds, certificates of indebtedness or any form of tax anticipation certificates, payable from ad valorem taxation and maturing more than twelve months after issuance only:

(b) to refund outstanding bonds and interest and redemption premium thereon at a lower net average interest cost rate.

**SECTION 13. Relief from illegal taxes.**—Until payment of all taxes which have been legally assessed upon the property of the same owner, no court shall grant relief from the payment of any tax that may be illegal or illegally assessed.

**SECTION 14. Bonds for pollution control and abatement and other water facilities.**—

(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued without an election to finance the construction of air and water pollution control and abatement and solid waste disposal facilities and other water facilities authorized by general law (herein referred to as “facilities”) to be operated by any municipality, county, district or authority, or any agency thereof (herein referred to as “local governmental agencies”), or by any agency of the State of Florida. Such bonds shall

be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from operation of such facilities, special assessments, rentals to be received under lease-purchase agreements herein provided for, any other revenues that may be legally available for such purpose, including revenues from other facilities, or any combination thereof (herein collectively referred to as “pledged revenues”), and shall be additionally secured by the full faith and credit of the State of Florida.

(b) No such bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the pledged revenues exceed seventy-five per cent of the pledged revenues.

(c) The state may lease any of such facilities to any local governmental agency, under lease-purchase agreements for such periods and under such other terms and conditions as may be mutually agreed upon. The local governmental agencies may pledge the revenues derived from such leased facilities or any other available funds for the payment of rentals thereunder; and, in addition, the full faith and credit and taxing power of such local governmental agencies may be pledged for the payment of such rentals without any election of freeholder electors or qualified electors.

(d) The state may also issue such bonds for the purpose of loaning money to local governmental agencies, for the construction of such facilities to be owned or operated by any of such local governmental agencies. Such loans shall bear interest at not more than one-half of one per cent per annum greater than the last preceding issue of state bonds pursuant to this section, shall be secured by the pledged revenues, and may be additionally secured by the full faith and credit of the local governmental agencies.

(e) The total outstanding principal of state bonds issued pursuant to this section 14 shall never exceed fifty per cent of the total tax revenues of the state for the two preceding fiscal years.

**SECTION 15. Revenue bonds for scholarship loans.**—

(a) When authorized by law, revenue bonds may be issued to establish a fund to make loans to students determined eligible as prescribed by law and who have been admitted to attend any public or private institutions of higher learning, junior colleges, health related training institutions, or vocational training centers, which are recognized or accredited under terms and conditions prescribed by law. Revenue bonds issued pursuant to this section shall be secured by a pledge of and shall be payable primarily from payments of interest, principal, and handling charges to such fund from the recipients of the loans and, if authorized by law, may be additionally secured by student fees and by any other moneys in such fund. There shall be established from the proceeds of each

issue of revenue bonds a reserve account in an amount equal to and sufficient to pay the greatest amount of principal, interest, and handling charges to become due on such issue in any ensuing state fiscal year.

(b) Interest moneys in the fund established pursuant to this section, not required in any fiscal year for payment of debt service on then outstanding revenue bonds or for maintenance of the reserve account, may be used for educational loans to students determined to be eligible therefor in the manner provided by law, or for such other related purposes as may be provided by law.

**History.**—Added, H.J.R. 46-D, 1971; adopted 1972.

#### **SECTION 16. Bonds for housing and related facilities.—**

(a) When authorized by law, revenue bonds may be issued without an election to finance or refinance housing and related facilities in Florida, herein referred to as “facilities.”

(b) The bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from the financing, operation or sale of such facilities, mortgage or loan payments, and any other revenues or assets that may be legally available for such purposes derived from sources other than ad valorem taxation, including revenues from other facilities, or any combination thereof, herein collectively referred to as “pledged revenues,” provided that in no event shall the full faith and credit of the state be pledged to secure such revenue bonds.

(c) No bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the same pledged revenues exceed the pledged revenues available for payment of such debt service requirements, as defined by law.

**History.**—Added, S.J.R. 6-E, 1980; adopted 1980.  
cf.—s. 18, Art. XII Schedule.

#### **SECTION 17. Bonds for acquiring transportation right-of-way or for constructing bridges.—**

(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, to finance or refinance the cost of acquiring real property or the rights to real property for state roads as defined by law, or to finance or refinance the cost of state bridge construction, and purposes incidental to such property acquisition or state bridge construction.

(b) Bonds issued under this section shall be secured by a pledge of and shall be payable primarily from motor fuel or special fuel taxes, except those defined in Section 9(c) of Article XII, as provided by law, and shall additionally be secured by the full faith and credit of the state.

(c) No bonds shall be issued under this section unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the same pledged revenues exceed ninety percent of the

pledged revenues available for payment of such debt service requirements, as defined by law. For the purposes of this subsection, the term “pledged revenues” means all revenues pledged to the payment of debt service, excluding any pledge of the full faith and credit of the state.

#### **SECTION 18. Laws requiring counties or municipalities to spend funds or limiting their ability to raise revenue or receive state tax revenue.—**

(a) No county or municipality shall be bound by any general law requiring such county or municipality to spend funds or to take an action requiring the expenditure of funds unless the legislature has determined that such law fulfills an important state interest and unless: funds have been appropriated that have been estimated at the time of enactment to be sufficient to fund such expenditure; the legislature authorizes or has authorized a county or municipality to enact a funding source not available for such county or municipality on February 1, 1989, that can be used to generate the amount of funds estimated to be sufficient to fund such expenditure by a simple majority vote of the governing body of such county or municipality; the law requiring such expenditure is approved by two-thirds of the membership in each house of the legislature; the expenditure is required to comply with a law that applies to all persons similarly situated, including the state and local governments; or the law is either required to comply with a federal requirement or required for eligibility for a federal entitlement, which federal requirement specifically contemplates actions by counties or municipalities for compliance.

(b) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenues in the aggregate, as such authority exists on February 1, 1989.

(c) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the percentage of a state tax shared with counties and municipalities as an aggregate on February 1, 1989. The provisions of this subsection shall not apply to enhancements enacted after February 1, 1989, to state tax sources, or during a fiscal emergency declared in a written joint proclamation issued by the president of the senate and the speaker of the house of representatives, or where the legislature provides additional state-shared revenues which are anticipated to be sufficient to replace the anticipated aggregate loss of state-shared revenues resulting from the reduction of the percentage of the state tax shared with counties and municipalities, which source of replacement revenues shall be subject to the same requirements for repeal or modifica-

tion as provided herein for a state-shared tax source existing on February 1, 1989.

(d) Laws adopted to require funding of pension benefits existing on the effective date of this section, criminal laws, election laws, the general appropriations act, special appropriations acts, laws reauthorizing but not expanding then-existing statutory authority, laws having insignificant fiscal impact, and laws creating, modifying, or repealing noncriminal infractions, are exempt from the requirements of this section.

(e) The legislature may enact laws to assist in the implementation and enforcement of this section.

(d) **COUNTY OFFICERS.** There shall be elected by the electors of each county, for terms of four years, a sheriff, a tax collector, a property appraiser, a supervisor of elections, and a clerk of the circuit court; except, when provided by county charter or special law approved by vote of the electors of the county, any county officer may be chosen in another manner therein specified, or any county office may be abolished when all the duties of the office prescribed by general law are transferred to another office. When not otherwise provided by county charter or special law approved by vote of the electors, the clerk of the circuit court shall be ex officio clerk of the board of county commissioners, auditor, recorder and custodian of all county funds.

The county seat may not be moved except as provided by general law. Branch offices for the conduct of county business may be established elsewhere in the county by resolution of the governing body of the county in the manner prescribed by law. No instrument shall be deemed recorded until filed at the county seat, or a branch office designated by the governing body of the county for the recording of instruments, according to law.

The consolidation plan may be proposed only by special law, which shall become effective if approved by vote of the electors of the county, or of the county and municipalities affected, as may be provided in the plan. Consolidation shall not extend the territorial scope of taxation for the payment of pre-existing debt except to areas whose residents receive a benefit from the facility or service for which the indebtedness was incurred.

**SECTION 4. Transfer of powers.**—By law or by resolution of the governing bodies of each of the governments affected, any function or power of a county, municipality or special district may be transferred to or contracted to be performed by another county, municipality or special district, after approval by vote of the electors of the transferor and approval by vote of the electors of the transferee, or as otherwise provided by law.

**SECTION 5. Local option.**—

(a) Local option on the legality or prohibition of the sale of intoxicating liquors, wines or beers shall be preserved to each county. The status of a county with respect thereto shall be changed only by vote of the electors in a special election called upon the petition of twenty-five per cent of the electors of the county, and not sooner than two years after an earlier election on the same question. Where legal, the sale of intoxicating liquors, wines and beers shall be regulated by law.

(b) Each county shall have the authority to require a criminal history records check and a 3 to 5-day waiting period, excluding weekends and legal holidays, in connection with the sale of any firearm occurring within such county. For purposes of this subsection, the term "sale" means the transfer of money or other valuable consideration for any firearm when any part of the transaction is conducted on property to which the public has the right of access. (d) **ORDINANCES.** Local laws relating only to unincorporated areas of a county on the effective date of this article may be amended or repealed by county ordinance.

(e) **CONSOLIDATION AND HOME RULE.** Article VIII, Sections '9, '10, '11 and '24, of the Constitution of 1885, as amended, shall remain in full force and effect as to each county affected, as if this article had not been adopted, until that county shall expressly adopt a charter or home rule plan pursuant to this article. All provisions of the Metropolitan Dade County Home Rule Charter, heretofore or hereafter adopted by the electors of Dade County pursuant to 'Article VIII, Section 11, of the Constitution of 1885, as amended, shall be valid, and any amendments to such charter shall be valid; provided that the said provisions of such charter and the said amendments thereto are authorized under said 'Article VIII, Section 11, of the Constitution of 1885, as amended.

The Legislature shall, from time to time, determine what portion of said municipality is a rural area, and a homestead in such rural area shall not be limited as if in a city or town. Such municipality may exercise all the powers of a municipal corporation and shall also be recognized as one of the legal political divisions of the State with the duties and obligations of a county and shall be entitled to all the powers, rights and privileges, including representation in the State Legislature, which would accrue to it if it were a county. All property of Duval County and of the municipalities in said county shall vest in such municipal corporation when established as hereinafter provided. (8) If any section, subsection, sentence, clause or provisions of this section is held invalid as violative of the provisions of Section 1 Article XVII of this Constitution the remainder of this section shall not be affected by such invalidity.

(9) It is declared to be the intent of the Legislature and of the electors of the State of Florida to provide by this section home rule for the people of Dade County in local affairs and this section shall be liberally construed to carry out such purpose, and it is further declared to be the intent of the Legislature and of the electors of the State of Florida that the provisions of this Constitution and general laws which shall relate to Dade County and any other one or more counties of the State of Florida or to any municipality in Dade County and any other one or more municipalities of the State of Florida enacted pursuant thereto by the Legislature shall be the supreme law in Dade County, Florida, except as expressly provided herein and this section shall be strictly construed to maintain such supremacy of this Constitution and of the Legislature in the enactment of general laws pursuant to this Constitution.

1. Public education.
2. State board of education.
3. Terms of appointive board members.
4. School districts; school boards.
5. Superintendent of schools.
6. State school fund.
7. State University System.

#### SECTION 1. Public education.—

(a) The education of children is a fundamental value of the people of the State of Florida. It is, therefore, a paramount duty of the state to make adequate provision for the education of all children residing within its borders. Adequate provision shall be made by law for a uniform, efficient, safe, secure, and high quality system of free public schools that allows students to obtain a high quality education and for the establishment, maintenance, and operation of institutions of higher learning and other public education programs that the needs of the people may require. To assure that children attending public schools obtain a high quality education, the legislature shall make adequate provision to ensure that, by the beginning of the 2010 school year, there are a sufficient number of classrooms so that:

(1) The maximum number of students who are assigned to each teacher who is teaching in public school classrooms for prekindergarten through grade 3 does not exceed 18 students;

(2) The maximum number of students who are assigned to each teacher who is teaching in public school classrooms for grades 4 through 8 does not exceed 22 students; and

(3) The maximum number of students who are assigned to each teacher who is teaching in public school classrooms for grades 9 through 12 does not exceed 25 students.

The class size requirements of this subsection do not apply to extracurricular classes. Payment of the costs associated with reducing class size to meet these requirements is the responsibility of the state and not of local schools districts. Beginning with the 2003-2004 fiscal year, the legislature shall provide sufficient funds to reduce the average number of students in each classroom by at least two students per year until the maximum number of students per classroom does not exceed the requirements of this subsection.

(b) Every four-year old child in Florida shall be provided by the State a high quality pre-kindergarten learning opportunity in the form of an early childhood development and education program which shall be voluntary, high quality, free, and delivered according to professionally accepted standards. An early childhood development and education program means an organized program designed to address and enhance each child's ability to make age appropriate progress in an appropriate range of settings in the development of language and cognitive capabilities and emotional, social, regulatory and moral capacities through education in basic skills and such other skills as the Legislature may determine to be appropriate.

(c) The early childhood education and development programs provided by reason of subparagraph (b) shall be implemented no later than the beginning of the 2005 school year through funds generated in addition to those used for existing education, health, and development programs. Existing education, health, and development programs are those funded by the State as of January 1, 2002 that provided for child or adult education, health care, or development.

**SECTION 2. State board of education.**—The state board of education shall be a body corporate and have such supervision of the system of free public education as is provided by law. The state board of education shall consist of seven members appointed by the governor to staggered 4-year terms, subject to confirmation by the senate. The state board of education shall appoint the commissioner of education.

**History.**—Am. proposed by Constitution Revision Commission, Revision No. 8, 1998, filed with the Secretary of State May 5, 1998; adopted 1998.

**SECTION 3. Terms of appointive board members.**—Members of any appointive board dealing with education may serve terms in excess of four years as provided by law.

**SECTION 4. School districts; school boards.**—

(a) Each county shall constitute a school district; provided, two or more contiguous counties, upon vote of the electors of each county pursuant to law, may be combined into one school district. In each school district there shall be a school board composed of five or more members chosen by vote of the electors in a nonpartisan election for appropriately staggered terms of four years, as provided by law.

(1) <sup>1</sup>Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

(2) That portion of <sup>2</sup>Article XII, Section 9, Subsection (a) of this Constitution, as amended, which by reference adopted <sup>3</sup>Article XII, Section 19 of the Constitution of 1885, as amended, as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment all of the proceeds of the revenues derived from the gross receipts taxes, as therein defined, collected in each year shall

be applied as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or certificates issued before the effective date of this amendment or any refundings thereof which are secured by such gross receipts taxes. No bonds or other obligations may be issued pursuant to the provisions of <sup>3</sup>Article XII, Section 19, of the Constitution of 1885, as amended, but this provision shall not be construed to prevent the refunding of any such outstanding bonds or obligations pursuant to the provisions of this subsection (a)(2).

Subject to the requirements of the first paragraph of this subsection (a)(2), beginning July 1, 1975, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, as provided and levied pursuant to the provisions of chapter 203, Florida Statutes, as such chapter is amended from time to time, shall, as collected, be placed in a trust fund to be known as the "public education capital outlay and debt service trust fund" in the state treasury (hereinafter referred to as "capital outlay fund"), and used only as provided herein.

The capital outlay fund shall be administered by the state board of education as created and constituted by Section 2 of Article IX of the Constitution of Florida as revised in 1968 (hereinafter referred to as "state board"), or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this subsection (a)(2). State bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, by the state board pursuant to law to finance or refinance capital projects theretofore authorized by the legislature, and any purposes appurtenant or incidental thereto, for the state system of public education provided for in Section 1 of Article IX of this Constitution (hereinafter referred to as "state system"), including but not limited to institutions of higher learning, community colleges, vocational technical schools, or public schools, as now defined or as may hereafter be defined by law. All such bonds shall mature not later than thirty years after the date of issuance thereof. All other details of such bonds shall be as provided by law or by the proceedings authorizing such bonds; provided, however, that no bonds, except refunding bonds, shall be issued, and no proceeds shall be expended for the cost of any capital project, unless such project has been authorized by the legislature.

Bonds issued pursuant to this subsection (a)(2) shall be primarily payable from such revenues derived from gross receipts taxes, and shall be additionally secured by the full faith and credit of the state. No

such bonds shall ever be issued in an amount exceeding ninety percent of the amount which the state board determines can be serviced by the revenues derived from the gross receipts taxes accruing thereafter under the provisions of this subsection (a)(2), and such determination shall be conclusive.

The moneys in the capital outlay fund in each fiscal year shall be used only for the following purposes and in the following order of priority:

a. For the payment of the principal of and interest on any bonds due in such fiscal year;

b. For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of bonds of any amounts required to be deposited in such reserve funds in such fiscal year;

c. For direct payment of the cost or any part of the cost of any capital project for the state system theretofore authorized by the legislature, or for the purchase or redemption of outstanding bonds in accordance with the provisions of the proceedings which authorized the issuance of such bonds, or for the purpose of maintaining, restoring, or repairing existing public educational facilities.

Revenue bonds to finance the cost of state capital projects issued prior to the date this revision becomes effective, including projects of the Florida state turnpike authority or its successor but excluding all portions of the state highway system, may be refunded as provided by law without vote of the electors at a lower net average interest cost rate by the issuance of bonds maturing not later than the obligations refunded, secured by the same revenues only.

(c) MOTOR VEHICLE FUEL TAXES.

The proceeds of said tax shall be placed monthly in the state roads distribution fund in the state treasury.

(2) "Article IX, Section 16, of the Constitution of 1885, as amended, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim for the purpose of providing that after the effective date of this revision the proceeds of the "second gas tax" as referred to therein shall be allocated among the several counties in accordance with the formula stated therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds, revenue certificates and tax anticipation certificates or any refundings thereof secured by any portion of the "second gas tax."

(3) No funds anticipated to be allocated under the formula stated in "Article IX, Section 16, of the Constitution of 1885, as amended, shall be pledged as security for any obligation hereafter issued or entered into, except that any outstanding obligations previously issued pledging revenues allocated under said "Article IX, Section 16, may be refunded at a lower average net interest cost rate by the issuance of

refunding bonds, maturing not later than the obligations refunded, secured by the same revenues and any other security authorized in paragraph (5) of this subsection.

(4) Subject to the requirements of paragraph (2) of this subsection and after payment of administrative expenses, the "second gas tax" shall be allocated to the account of each of the several counties in the amounts to be determined as follows: There shall be an initial allocation of one-fourth in the ratio of county area to state area, one-fourth in the ratio of the total county population to the total population of the state in accordance with the latest available federal census, and one-half in the ratio of the total "second gas tax" collected on retail sales or use in each county to the total collected in all counties of the state during the previous fiscal year. If the annual debt service requirements of any obligations issued for any county, including any deficiencies for prior years, secured under paragraph (2) of this subsection, exceeds the amount which would be allocated to that county under the formula set out in this paragraph, the amounts allocated to other counties shall be reduced proportionately.

(5) Funds allocated under paragraphs (2) and (4) of this subsection shall be administered by the state board of administration created under Article IV, Section 4. The board shall remit the proceeds of the "second gas tax" in each county account for use in said county as follows: eighty per cent to the state agency supervising the state road system and twenty per cent to the governing body of the county. The percentage allocated to the county may be increased by general law. When authorized by law, state bonds pledging the full faith and credit of the state may be issued without any election: (i) to refund obligations secured by any portion of the "second gas tax" allocated to a county under "Article IX, Section 16, of the Constitution of 1885, as amended; (ii) to finance the acquisition and construction of roads in a county when approved by the governing body of the county and the state agency supervising the state road system; and (iii) to refund obligations secured by any portion of the "second gas tax" allocated under paragraph 9(c)(4). No such bonds shall be issued unless a state fiscal agency created by law has made a determination that in no state fiscal year will the debt service requirements of the bonds and all other bonds secured by the pledged portion of the "second gas tax" allocated to the county exceed seventy-five per cent of the pledged portion of the "second gas tax" allocated to that county for the preceding state fiscal year, of the pledged net tolls from existing facilities col-

lected in the preceding state fiscal year, and of the annual average net tolls anticipated during the first five state fiscal years of operation of new projects to be financed, and of any other legally available pledged revenues collected in the preceding state fiscal year. Bonds issued pursuant to this subsection shall be payable primarily from the pledged tolls, the pledged portions of the "second gas tax" allocated to that county, and any other pledged revenue, and shall mature not later than forty years from the date of issuance.

dollars (\$600) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1967-68, plus an amount equal in the aggregate to the product of eight hundred dollars (\$800) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1972-73 and for each school fiscal year thereafter which is in excess of the total number of such instruction units in all the school districts of Florida for the school fiscal year 1967-68, such excess units being designated "growth units." The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall additionally be an amount equal in the aggregate to the product of four hundred dollars (\$400) multiplied by the total number of instruction units in all community college districts of Florida. The number of instruction units in each school district or community college district in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each school district for the school fiscal year 1967-68 or community college district for the school fiscal year 1968-69 computed in the manner heretofore provided by general law, or (2) the number of instruction units in such school district, including growth units, or community college district for the school fiscal year computed in the manner heretofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each school district, including growth units, or community college district on behalf of which the state board has issued bonds or motor vehicle license revenue anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and twelve-hundredths (1.12) times the aggregate amount of principal of and interest on all bonds or motor vehicle license revenue anticipation certificates issued under this amendment which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board.

(4) Such funds so distributed shall be administered by the state board as now created and constituted by Section 2 of Article IX of the State Constitution as revised in 1968, or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this amendment. For the purposes of this amendment, said state board shall be a body corporate and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said state board.

(5) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first motor vehicle license revenues provided for in

this subsection (d). The state board shall also have power, for the purpose of obtaining funds for the use of any school board of any school district or board of trustees of any community college district in acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes to issue bonds or motor vehicle license revenue anticipation certificates, and also to issue such bonds or motor vehicle license revenue anticipation certificates to pay, fund or refund any bonds or motor vehicle license revenue anticipation certificates theretofore issued by said state board. All such bonds or motor vehicle license revenue anticipation certificates shall bear interest at not exceeding the rate provided by general law and shall mature not later than thirty years after the date of issuance thereof. The state board shall have power to determine all other details of the bonds or motor vehicle license revenue anticipation certificates and to sell in the manner provided by general law, or exchange the bonds or motor vehicle license revenue anticipation certificates, upon such terms and conditions as the state board shall provide.

(6) The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle license revenue anticipation certificates, including refunding bonds or refunding motor vehicle license revenue anticipation certificates, all or any part from the motor vehicle license revenues provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle license revenue anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

(7) No such bonds or motor vehicle license revenue anticipation certificates shall ever be issued by the state board, except to refund outstanding bonds or motor vehicle license revenue anticipation certificates, until after the adoption of a resolution requesting the issuance thereof by the school board of the school district or board of trustees of the community college district on behalf of which the obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle license revenue anticipation certificates which can be issued on behalf of any school district or community college district to ninety percent (90%) of the amount which it determines can be serviced by the revenue accruing to the school district or community college district under the provisions of this amendment, and shall determine the reasonable allocation of the interest savings from the issuance of refunding bonds or motor vehicle license revenue anticipation certificates, and such determinations shall be conclusive. All such bonds or motor vehicle license revenue anticipation certificates shall be issued in the name of the state

board of education but shall be issued for and on behalf of the school board of the school district or board of trustees of the community college district requesting the issuance thereof, and no election or approval of qualified electors shall be required for the issuance thereof.

(8) The state board shall in each year use the funds distributable pursuant to this amendment to the credit of each school district or community college district only in the following manner and in order of priority:

a. To comply with the requirements of paragraph (1) of this subsection (d).

b. To pay all amounts of principal and interest due in such year on any bonds or motor vehicle license revenue anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle license revenue anticipation certificates, issued on behalf of the school board of such school district or board of trustees of such community college district; subject, however, to any covenants or agreements made by the state board concerning the rights between holders of different issues of such bonds or motor vehicle license revenue anticipation certificates, as herein authorized.

c. To establish and maintain a sinking fund or funds to meet future requirements for debt service or reserves therefor, on bonds or motor vehicle license revenue anticipation certificates issued on behalf of the school board of such school district or board of trustees of such community college district under the authority hereof, whenever the state board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the state board shall in its discretion determine.

d. To distribute annually to the several school boards of the school districts or the boards of trustees of the community college districts for use in payment of debt service on bonds heretofore or hereafter issued by any such school boards of the school districts or boards of trustees of the community college districts where the proceeds of the bonds were used, or are to be used, in the acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects in such school districts or community college districts and which capital outlay projects have been approved by the school board of the school district or board of trustees of the community college district, pursuant to the most recent survey or surveys conducted under regulations prescribed by the state board to determine the capital outlay needs of the school district or community college district. The state board shall have power at the time of issuance of any bonds by any school board of any school district or board of trustees of any community college district to covenant and agree with such school board or board of trustees as to the rank and priority of payments to be made for different issues of bonds under this subparagraph d., and may further agree that any amounts to be distributed under this subparagraph d. may be pledged for the debt service on bonds issued by any

school board of any school district or board of trustees of any community college district and for the rank and priority of such pledge. Any such covenants or agreements of the state board may be enforced by any holders of such bonds in any court of competent jurisdiction.

e. To pay the expenses of the state board in administering this subsection (d), which shall be prorated among the various school districts and community college districts and paid out of the proceeds of the bonds or motor vehicle license revenue anticipation certificates or from the funds distributable to each school district and community college district on the same basis as such motor vehicle license revenues are distributable to the various school districts and community college districts.

f. To distribute annually to the several school boards of the school districts or boards of trustees of the community college districts for the payment of the cost of acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes in such school district or community college district as shall be requested by resolution of the school board of the school district or board of trustees of the community college district.

g. When all major capital outlay needs of a school district or community college district have been met as determined by the state board, on the basis of a survey made pursuant to regulations of the state board and approved by the state board, all such funds remaining shall be distributed annually and used for such school purposes in such school district or community college district as the school board of the school district or board of trustees of the community college district shall determine, or as may be provided by general law.

(9) Capital outlay projects of a school district or community college district shall be eligible to participate in the funds accruing under this amendment and derived from the proceeds of bonds and motor vehicle license revenue anticipation certificates and from the motor vehicle license revenues, only in the order of priority of needs, as shown by a survey or surveys conducted in the school district or community college district under regulations prescribed by the state board, to determine the capital outlay needs of the school district or community college district and approved by the state board; provided that the priority of such projects may be changed from time to time upon the request of the school board of the school district or board of trustees of the community college district and with the approval of the state board; and provided, further, that this paragraph (9) shall not in any manner affect any covenant, agreement or pledge made by the state board in the issuance by said state board of any bonds or motor vehicle license revenue anticipation certificates, or in connection with the issuance of any bonds of any school board of any school district or board of trustees of any community college district.

(10) The state board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this amendment of full force and operating effect. The legislature shall not reduce the levies of said motor vehicle license revenues during the life of this amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license revenues from the operation of this amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle license revenue anticipation certificates issued pursuant to this amendment or impairing or altering any covenant or agreement of the state board, as provided in such bonds or motor vehicle license revenue anticipation certificates.

(11) Bonds issued by the state board pursuant to this subsection (d) shall be payable primarily from said motor vehicle license revenues as provided herein, and if heretofore or hereafter authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When heretofore or hereafter authorized by law, bonds issued pursuant to Article XII, Section 18 of the Constitution of 1885, as amended prior to 1968, and bonds issued pursuant to Article XII, Section 9, subsection (d) of the Constitution as revised in 1968, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state.

(e) **DEBT LIMITATION.** Bonds issued pursuant to this Section 9 of Article XII which are payable primarily from revenues pledged pursuant to this section shall not be included in applying the limits upon the amount of state bonds contained in Section 11, Article VII, of this revision.

**\*Note.**—Prior to its amendment by C.S. for H.J.R.'s 2289, 2984, 1974, sub-section (a) read as follows:

(a) **ADDITIONAL SECURITIES.** Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

Article XII, Section 19, of the Constitution of 1885, as amended, as it existed immediately before this revision becomes effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except bonds or tax anticipation certificates hereafter issued thereunder may bear interest not in excess of five percent (5%) per annum or such higher interest as may be authorized by statute passed by a three-fifths (3/5) vote of each house of the legislature. No revenue bonds or tax anticipation certificates shall be issued pursuant thereto after June 30, 1975.

**\*Note.**—Section 19 of Art. XII of the Constitution of 1885, as amended, reads as follows:

**SECTION 19.** Institutions of higher learning and junior college capital outlay trust fund bonds—(a) That beginning January 1, 1964, and for fifty years thereafter, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, receiving payment for electricity for light, heat or power, for natural or manufactured gas for light, heat or power, for use of telephones and for the sending of telegrams and telegraph messages, as now provided and levied as of the time of adoption of this amendment in Chapter 203, Florida Statutes (hereinafter called "Gross Receipts Taxes"), shall, as collected be placed in a trust fund to be known as the "Institutions of Higher Learning and Junior Colleges Capital Outlay and Debt Service Trust Fund" in the State Treasury (hereinafter referred to as "Capital Outlay Fund"), and used only as provided in this Amendment.

Said fund shall be administered by the State Board of Education, as now created and constituted by Section 3 of Article XII [now s. 2, Article IX] of the Constitution of Florida (hereinafter referred to as "State Board"). For the purpose of this Amendment, said State Board, as now constituted, shall continue as a body corporate during the life of this Amendment and shall have all the powers provided in this Amendment in addition to all other constitutional and statutory powers related to the purposes of this Amendment heretofore or hereafter conferred by law upon said State Board.

(b) The State Board shall have power, for the purpose of obtaining funds for acquiring, building, constructing, altering, improving, enlarging, furnishing or equipping capital outlay projects theretofore authorized by the legislature and any purposes appurtenant or incidental thereto, for Institutions of Higher Learning or Junior Colleges, as now defined or as may be hereafter defined by law, and for the purpose of constructing buildings and other permanent facilities for vocational technical schools as provided in chapter 230 Florida Statutes, to issue bonds or certificates, including refunding bonds or certificates to fund or refund any bonds or certificates theretofore issued. All such bonds or certificates shall bear interest at not exceeding four and one-half per centum per annum, and shall mature at such time or times as the State Board shall determine not exceeding, in any event, however, thirty years from the date of issuance thereof. The State Board shall have power to determine all other details of such bonds or certificates and to sell at public sale, after public advertisement, such bonds or certificates, provided, however, that no bonds or certificates shall ever be issued hereunder to finance, or the proceeds thereof expended for, any part of the cost of any capital outlay project unless the construction or acquisition of such capital outlay project has been theretofore authorized by the Legislature of Florida. None of said bonds or certificates shall be sold at less than ninety-eight per centum of the par value thereof, plus accrued interest, and said bonds or certificates shall be awarded at the public sale thereof to the bidder offering the lowest net interest cost for such bonds or certificates in the manner to be determined by the State Board.

The State Board shall also have power to pledge for the payment of the principal of and interest on such bonds or certificates, and reserves thereof, including refunding bonds or certificates, all or any part of the revenue to be derived from the said Gross Receipts Taxes provided for in this Amendment, and to enter into any covenants and other agreements with the holders of such bonds or certificates concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or certificates shall ever be issued by the State Board in an amount exceeding seventy-five per centum of the amount which it determines, based upon the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, can be serviced by the revenues accruing thereafter under the provisions of this Amendment; nor shall the State Board, during the first year following the ratification of this amendment, issue bonds or certificates in excess of seven times the anticipated revenue from said Gross Receipts Taxes during said year, nor during each succeeding year, more than four times the anticipated revenue from said Gross Receipts Taxes during such year. No election or approval of qualified electors or freeholder electors shall be required for the issuance of bonds or certificates hereunder.

After the initial issuance of any bonds or certificates pursuant to this Amendment, the State Board may thereafter issue additional bonds or certificates which will rank equally and on a parity, as to lien on and source of security for payment from said Gross Receipts Taxes, with any bonds or certificates theretofore issued pursuant to this Amendment, but such additional parity bonds or certificates shall not be issued unless the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, shall have been equal to one and one-third times the aggregate amount of principal and interest which will become due in any succeeding fiscal year on all bonds or certificates theretofore issued pursuant to this Amendment and then outstanding, and the additional parity bonds or certificates then proposed to be issued. No bonds, certificates or other obligations whatsoever shall at any time be issued under the provisions of this Amendment, except such bonds or certificates initially issued hereunder, and such additional parity bonds or certificates as provided in this paragraph. Notwithstanding any other provision herein no such bonds or certificates shall be authorized or validated during any biennium in excess of fifty million dollars, except by two-thirds vote of the members elected to each house of the legislature; provided further that during the biennium 1963-1965 seventy-five million dollars may be authorized and validated pursuant hereto.

(c) Capital outlay projects theretofore authorized by the legislature for any Institution of Higher Learning or Junior College shall be eligible to participate in the funds accruing under this Amendment derived from the proceeds of bonds or certificates and said Gross Receipts Taxes under such regulations and in such manner as shall be determined by the State Board, and the State Board shall use or transmit to the State Board of Control or to the Board of Public Instruction of any County authorized by law to construct or acquire such capital outlay projects, the amount of the proceeds of such bonds or certificates or Gross Receipts Taxes to be applied to or used for such capital outlay projects. If for any reason any of the proceeds of any bonds or certificates issued for any capital outlay project shall not be expended for such capital outlay project, the State Board may use such unexpended proceeds for any other capital outlay project for Institutions of Higher Learning or Junior Colleges and vocational technical schools, as defined herein, as now defined or as may be hereafter defined by law, theretofore authorized by the State Legislature. The holders of bonds or certificates issued hereunder shall not have any responsibility whatsoever for the application or use of any of the proceeds derived from the sale of said bonds or certificates, and the rights and remedies of the holders of such bonds or certificates and their right to payment from said Gross Receipts Taxes in the manner provided herein shall not be affected or impaired by the application or use of such proceeds.

The State Board shall use the moneys in said Capital Outlay Fund in each fiscal year only for the following purposes and in the following order of priority:

(1) For the payment of the principal of and interest on any bonds or certificates maturing in such fiscal year.

(2) For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of said bonds or certificates, of any amounts required to be deposited in such reserve funds in such fiscal year.

(3) After all payments required in such fiscal year for the purposes provided for in (1) and (2) above, including any deficiencies for required payments in prior fiscal years, any moneys remaining in said Capital Outlay Fund at the end of such fiscal year may be used by the State Board for direct payment of the cost or any part of the cost of any capital outlay project theretofore authorized by the legislature or for the purchase of any bonds or certificates issued hereunder then outstanding upon such terms and conditions as the State Board shall deem proper, or for the prior redemption of outstanding bonds or certificates in accordance with the provisions of the proceedings which authorized the issuance of such bonds or certificates.

The State Board may invest the moneys in said Capital Outlay Fund or in any sinking fund or other funds created for any issue of bonds or certificates, in direct obligations of the United States of America or in the other securities referred to in Section 344.27, Florida Statutes.

(d) The State Board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and operating effect on and after January 1, 1964. The Legislature, during the period this Amendment is in effect, shall not reduce the rate of said Gross Receipts Taxes now provided in said Chapter 203, Florida Statutes, or eliminate, exempt or remove any of the persons, firms or corporations, including municipal corporations, or any of the utilities, businesses or services now or hereafter subject to said Gross Receipts Taxes, from the levy and collection of said Gross Receipts Taxes as now provided in said Chapter 203, Florida Statutes, and shall not enact any law impairing or materially altering the rights of the holders of any bonds or certificates issued pursuant to this Amendment or impairing or altering any covenants or agreements of the State Board made hereunder, or having the effect of withdrawing the proceeds of said Gross Receipts Taxes from the operation of this Amendment.

The State Board of Administration shall be and is hereby constituted as the Fiscal Agent of the State Board to perform such duties and assume such responsibilities under this Amendment as shall be agreed upon between the State Board and such State Board of Administration. The State Board shall also have power to appoint such other persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be paid out of the proceeds of bonds or certificates issued hereunder or from said Gross Receipts Taxes deposited in said Capital Outlay Fund.

(e) No capital outlay project or any part thereof shall be financed hereunder unless the bill authorizing such project shall specify it is financed hereunder and shall be approved by a vote of three-fifths of the elected members of each house.

**\*Note.**—Section 16 of Art. IX of the Constitution of 1885, as amended, reads as follows:

SECTION 16. Board of administration; gasoline and like taxes, distribution and use; etc.—(a) That beginning January 1st, 1943, and for fifty (50) years thereafter, the proceeds of two (2c) cents per gallon of the total tax levied by state law upon gasoline and other like products of petroleum, now known as the Second Gas Tax, and upon other fuels used to propel motor vehicles, shall as collected be placed monthly in the 'State Roads Distribution Fund' in the State Treasury and divided into three (3) equal parts which shall be distributed monthly among the several counties as follows: one part according to area, one part according to population, and one part according to the counties' contributions to the cost of state road construction in the ratio of distribution as provided in Chapter 15659, Laws of Florida, Acts of 1931, and for the purposes of the apportionment based on the counties' contributions for the cost of state road construction, the amount of the contributions established by the certificates made in 1931 pursuant to said Chapter 15659, shall be taken and deemed conclusive in computing the monthly amounts distributable according to said contributions. Such funds so distributed shall be administered by the State Board of Administration as hereinafter provided.

(b) The Governor as chairman, the State Treasurer, and the State Comptroller shall constitute a body corporate to be known as the 'State Board of Administration'; which board shall succeed to all the power, control and authority of the statutory Board of Administration. Said Board shall have, in addition to such powers as may be conferred upon it by law, the management, control and supervision of the proceeds of said two (2c) cents of said taxes and all moneys and other assets which on the effective date of this amendment are applicable or may become applicable to the bonds of the several counties of this state, or any special road and bridge district, or other special taxing district thereof, issued prior to July 1st, 1931, for road and bridge purposes. The word 'bonds' as used herein shall include bonds, time warrants, notes and other forms of indebtedness issued for road and bridge purposes by any county or special road and bridge district or other special taxing district, outstanding on July 1st, 1931, or any refunding issues thereof. Said Board shall have the statutory powers of Boards of County Commissioners and Bond Trustees and of any other authority of special road and bridge districts, and other special taxing districts thereof with regard to said bonds, (except that the power to levy ad valorem taxes is expressly withheld from said Board), and shall take over all papers, documents and records concerning the same. Said Board shall have the power from time to time to issue refunding bonds to mature within the said fifty (50) year period, for any of said outstanding bonds or interest thereon, and to secure them by a pledge of anticipated receipts from such gasoline or other fuel taxes to be distributed to such county as herein provided, but not at a greater rate of interest than said bonds now bear; and to issue, sell or exchange on behalf of any county or unit for the sole purpose of retiring said bonds issued by such county, or special road and bridge district, or other special taxing district thereof, gasoline or other fuel tax anticipation certificates bearing interest at not more than three (3) per cent per annum in such denominations and maturing at such time within the fifty (50) year period as the board may determine. In addition to exercising the powers now provided by statute for the investment of sinking funds, said Board may use the sinking funds created for said bonds of any county or special road and bridge district, or other unit hereunder, to purchase the matured or maturing bonds participating herein of any other county or any other special road and bridge district, or other special taxing district thereof, provided that as to said matured bonds, the value thereof as an investment shall be the price paid therefor, which shall not exceed the par value plus accrued interest, and that said investment shall bear interest at the rate of three (3) per cent per annum.

(c) The said board shall annually use said funds in each county account, first, to pay current principal and interest maturing, if any, of said bonds and gasoline or other fuel tax anticipation certificates of such county or special road and bridge district, or other special taxing district thereof; second, to establish a sinking fund account to meet future requirements of said bonds and gasoline or other fuel tax anticipation certificates where it appears the anticipated income for any year or years will not equal scheduled payments thereon; and third, any remaining balance out of the proceeds of said two (2c) cents of said taxes shall monthly during the year be remitted by said board as follows: Eighty (80%) per cent to the State Road Department for the construction or reconstruction of state roads and bridges within the county, or for the lease or purchase of bridges connecting state highways within the county, and twenty (20%) per cent to the Board of County Commissioners of such county for use on roads and bridges therein.

(d) Said board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers hereby granted and no legislation shall be required to render this amendment of full force and operating effect from and after January 1st, 1943. The Legislature shall continue the levies of said taxes during the life of this Amendment, and shall not enact any law having the effect of withdrawing the proceeds of said two (2c) cents of said taxes from the operation of this amendment. The board shall pay refunding expenses and other expenses for services rendered specifically for, or which are properly chargeable to, the account of any county from funds distributed to such county; but general expenses of the board for services rendered all the counties alike shall be prorated among them and paid out of said funds on the same basis said tax proceeds are distributed among the several counties; provided, report of said expenses shall be made to each Regular

Session of the Legislature, and the Legislature may limit the expenses of the board.

**History.**—Added, S.J.R. 324, 1941; adopted 1942.

**\*Note.**—Prior to its amendment by C.S. for H.J.R. 3576, 1972, subsection (d) read as follows:

(d) SCHOOL BONDS. Article XII, Section 18, of the Constitution of 1885, as amended, as it existed immediately before this revision becomes effective is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, except bonds or tax anticipation certificates hereafter issued thereunder may bear interest not in excess of five per cent per annum or such higher interest as may be authorized by statute passed by a three-fifths vote of each house of the legislature. Bonds issued pursuant to this subsection (d) shall be payable primarily from revenues as provided in Article XII, Section 18, of the Constitution of 1885, as amended, and if authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When authorized by law, bonds issued pursuant to Article XII, Section 18, of the Constitution of 1885, as amended, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state only at a lower net average interest cost rate.

**\*Note.**—Section 18, Art. XII of the Constitution of 1885, as amended, reads as follows:

SECTION 18. School bonds for capital outlay, issuance.—

(a) Beginning January 1, 1965 and for thirty-five years thereafter, the first proceeds of the revenues derived from the licensing of motor vehicles to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the county capital outlay and debt service school fund in the state treasury, and used only as provided in this amendment. Such revenue shall be distributed annually among the several counties in the ratio of the number of instruction units in each county in each year computed as provided herein. The amount of the first revenues derived from the licensing of motor vehicles to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of four hundred dollars multiplied by the total number of instruction units in all the counties of Florida. The number of instruction units in each county in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each county for the school fiscal year 1951-52 computed in the manner heretofore provided by general law, or (2) the number of instruction units in such county for the school fiscal year computed in the manner heretofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each county on behalf of which the state board of education has issued bonds or motor vehicle tax anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and one-third times the aggregate amount of principal of and interest on such bonds or motor vehicle tax anticipation certificates which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board.

Such funds so distributed shall be administered by the state board as now created and constituted by Section 3 of Article XII [now s. 2, Article IX] of the Constitution of Florida. For the purposes of this amendment, said state board, as now constituted, shall continue as a body corporate during the life of this amendment and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said board.

(b) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first part of the revenues derived from the licensing of motor vehicles provided for in subsection (a). The state board shall also have power, for the purpose of obtaining funds for the use of any county board of public instruction in acquiring, building, constructing, altering, improving, enlarging, furnishing, or equipping capital outlay projects for school purposes, to issue bonds or motor vehicle tax anticipation certificates, and also to issue such bonds or motor vehicle tax anticipation certificates to pay, fund or refund any bonds or motor vehicle tax anticipation certificates theretofore issued by said state board. All such bonds shall bear interest at not exceeding four and one-half per centum per annum and shall mature serially in annual installments commencing not more than three years from the date of issuance thereof and ending not later than thirty years from the date of issuance or January 1, 2000, A.D., whichever is earlier. All such motor vehicle tax anticipation certificates shall bear interest at not exceeding four and one-half per centum per annum and shall mature prior to January 1, 2000, A.D. The state board shall have power to determine all other details of said bonds or motor vehicle tax anticipation certificates and to sell at public sale after public advertisement, or exchange said bonds or motor vehicle tax anticipation certificates, upon such terms and conditions as the state board shall provide.

The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle tax anticipation certificates, including refunding bonds or refunding motor vehicle tax anticipation certificates, all or any part from the anticipated revenues to be derived from the licensing of motor vehicles provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle tax anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or motor vehicle tax anticipation certificates shall ever be issued by the state board until after the adoption of a resolution requesting the issuance thereof by the county board of public instruction of the county on

behalf of which such obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle tax anticipation certificates which can be issued on behalf of any county to seventy-five per cent of the amount which it determines can be serviced by the revenue accruing to the county under the provisions of this amendment, and such determination shall be conclusive. All such bonds or motor vehicle tax anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the county board of public instruction requesting the issuance thereof, and no election or approval of qualified electors or freeholders shall be required for the issuance thereof.

(c) The State Board shall in each year use the funds distributable pursuant to this Amendment to the credit of each county only in the following manner and order of priority:

(1) To pay all amounts of principal and interest maturing in such year on any bonds or motor vehicle tax anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle tax anticipation certificates, issued on behalf of the Board of Public Instruction of such county; subject, however, to any covenants or agreements made by the State Board concerning the rights between holders of different issues of such bonds or motor vehicle tax anticipation certificates, as herein authorized.

(2) To establish and maintain a sinking fund or funds to meet future requirements for debt service, or reserves therefor, on bonds or motor vehicle tax anticipation certificates issued on behalf of the Board of Public Instruction of such county, under the authority hereof, whenever the State Board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the State Board shall in its discretion determine.

(3) To distribute annually to the several Boards of Public Instruction of the counties for use in payment of debt service on bonds heretofore or hereafter issued by any such Board where the proceeds of the bonds were used, or are to be used, in the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects in such county, and which capital outlay projects have been approved by the Board of Public Instruction of the county, pursuant to a survey or surveys conducted subsequent to July 1, 1947 in the county, under regulations prescribed by the State Board to determine the capital outlay needs of the county.

The State Board shall have power at the time of issuance of any bonds by any Board of Public Instruction to covenant and agree with such Board as to the rank and priority of payments to be made for different issues of bonds under this Subsection (3), and may further agree that any amounts to be distributed under this Subsection (3) may be pledged for the debt service on bonds issued by any Board of Public Instruction and for the rank and priority of such pledge. Any such covenants or agreements of the State Board may be enforced by any holders of such bonds in any court of competent jurisdiction.

(4) To distribute annually to the several Boards of Public Instruction of the counties for the payment of the cost of the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects for school purposes in such county as shall be requested by resolution of the County Board of Public Instruction of such county.

(5) When all major capital outlay needs of a county have been met as determined by the State Board, on the basis of a survey made pursuant to regulations of the State Board and approved by the State Board, all such funds remaining shall be distributed annually and used for such school purposes in such county as the Board of Public Instruction of the county shall determine, or as may be provided by general law.

(d) Capital outlay projects of a county shall be eligible to participate in the funds accruing under this Amendment and derived from the proceeds of bonds and motor vehicle tax anticipation certificates and from the motor vehicle license taxes, only in the order of priority of needs, as shown by a survey or surveys conducted in the county under regulations prescribed by the State Board, to determine the capital outlay needs of the county and approved by the State Board; provided, that the priority of such projects may be changed from time to time upon the request of the Board of Public Instruction of the county and with the approval of the State Board; and provided further, that this Subsection (d) shall not in any manner affect any covenant, agreement, or pledge made by the State Board in the issuance by said State Board of any bonds or motor vehicle tax anticipation certificates, or in connection with the issuance of any bonds of any Board of Public Instruction of any county.

(e) The State Board may invest any sinking fund or funds created pursuant to this Amendment in direct obligations of the United States of America or in the bonds or motor vehicle tax anticipation certificates, matured or to mature, issued by the State Board on behalf of the Board of Public Instruction of any county.

(f) The State Board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and operating effect from and after January 1, 1953. The Legislature shall not reduce the levies of said motor vehicle license taxes during the life of this Amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this Amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license taxes from the operation of this Amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle tax anticipation certificates issued pursuant to this Amendment or impairing or altering any covenant or agreement of the State Board, as provided in such bonds or motor vehicle tax anticipation certificates.

The State Board shall have power to appoint such persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be prorated among the various counties and paid out of the proceeds of the bonds or motor vehicle tax anticipation certificates or from the funds distributable to each county on the same

basis as such motor vehicle license taxes are distributable to the various counties under the provisions of this Amendment. Interest or profit on sinking fund investments shall accrue to the counties in proportion to their respective equities in the sinking fund or funds.
